QUICK START GUIDE

Appearance and Key List

Getting started.

1. Insert 2 x AA batteries into the player.
2. Plug the AV cable of the player into the TV. (White plug into Audio-IN on your TV and the yellow plug into the Video-IN on your TV.)
3. Turn your TV on and adjust the volume to low.
4. Set your TV to the appropriate channel to receive external AV signal.

How do you play the Game?

1. Push the "On/Off" key to the "On" position to turn on the game player.
2. Toggle the joystick Up or Down key to highlight a game on that page. To move to the next or previous page toggle the joystick left or right.
3. Once the highlight is on the game you want to play, press the "START" or the "A" button.
4. Once you start your game, you may adjust the volume control on your TV set to the desired level.
5. Press the "RESET" key anytime to return to the main menu.
