BUCK ROGERS

ANEW VIDEO GAME WORLD OF SPECTACULAR SIGHTS, COLORS AND SOUNDS

BUCK ROGERS™: PLANET OF ZOOM™ is the thrilling new space adventure game where "action" is an understatement. Excitement is the name of the game as the Buck Rogers in all of us pilots a remote-controlled spaceship through the Planet of Zoom™.

Fantastic gameplay graphics, great sound effects, intense action, and unique player controls all combine to make the game as super as the BUCK ROGERS hero it is named for.

Using a 2-level speed control and a responsive pilot's control stick, Buck Rogers races his ship into and through heavily armed Channels, through formidable Smasher Tunnels and around the towering spires of a Cosmic City. Buck Rogers banks, dives and climbs in pursuit of bizarre alien ships and ground forces to reach his climactic scene and primary target . . . the all-powerful Enemy Source Ship.

BUCK ROGERS is the Super Hero of all time, and Buck Rogers: Planet of Zoom is SEGA's newest SUPERGAME. For more information, see your authorized SEGA distributor today.
