LAST BRONX

A massively violent street war has erupted in Tokyo, Japan. Competing for territorial dominance, rival groups of brawlers have escalated street fighting to brutally violent levels. It has finally been decided to solve these disputes by pitting the group leaders in decisive fighting contests. LAST BRONX is the fighting arena. The combatants are the best of the best, relying on their advanced street fighting skills to overcome opponents.

- Utilizing the Model 2 CG Board, LAST BRONX delivers smooth battle action at 300,000 polygons per second!
- Backgrounds feature actual scenery from Tokyo!
- Characters are outfitted in ultra-hip street clothing!
- Two player competition or one player vs. computer.
- Buy-In Available.
