

Product Description

SEGA's all-new Crazy Taxi™: City Rush made exclusively for mobile. It's FREE and with fun one-touch controls everybody can drive crazy. Simply tap and swipe to change lanes, whip around corners, onto sidewalks, up ramps and into the air. Your taxi, your rules!

The crazier you drive the higher your rewards. Master the streets to speed up your time. Even drive your Facebook friends crazy -- take them for a ride, and compete to be the best cabbie on the planet.

Features

- Fun one-touch controls; tap and swipe to drive crazy
- Variety of missions and special challenges in an all-new big city
- Expand the city for more lucrative fares and routes
- All-new cast of classic and original crazy characters and passengers
- Customize and upgrade a crazy fleet of taxis to increase their power and visual appeal

- Now you can drive crazy to music from your personal library
- Features portrait and landscape modes
- Created by the original Crazy Taxi designer, Kenji Kanno, and SEGA's top mobile developer, Hardlight Studios, makers of Sonic® Dash
