RAGE OF THE MACHINES

Let's get it on

The cover art depicts a futuristic Los Angeles cityscape. In the foreground, a large, grey, mechanical vehicle with "NCTC" and "SUN" markings is shown. A soldier in a dark uniform is standing on top of it, holding a large, black, cylindrical weapon. In the background, a massive explosion of orange and yellow fire is erupting from a building. Several other soldiers are seen in mid-air, appearing to be in combat. The overall scene is one of intense action and destruction.

In the year 2025, a ruthless band of Androids known as R.O.M. (Rage of the Machines) invades the West Coast of the United States. Their objective - total domination of the planet. The invasion is a well-executed series of surgical assaults on key western cities. You're a member of the federal government's top secret counter-terrorist task force, S.I.F.A.T.
