The background is a stylized, painterly illustration of a street scene. It features buildings with various colored roofs (purple, green, brown) and several figures in traditional or semi-traditional clothing. The overall style is reminiscent of a Japanese ink wash painting or a traditional woodblock print, but with a more modern, colorful palette. The scene is set in a narrow street, with figures walking and standing. The colors are muted and earthy, with some brighter accents like purple and green.
