BLASTER MASTER™ 2

Jason is back and ready to fight the radioactive underground mutants that are trying to take over the Earth. His high powered vehicle, S.O.P.H.I.A. is redesigned for more intense action and armed with weapons only the government could afford to make. As Jason, you can plan your attack from inside the vehicle or jump out for hand-to-hand combat. Three types of game play: side-scrolling views of Jason and his vehicle, zoom-views of Jason fighting bosses and overhead views of the vehicle—make the maze-like stages a challenge for anyone.
