Game Overview

In 1989, the SEGA Genesis console was introduced in the United States to an audience primed and ready for a new gaming experience. Now, Sega introduces the Genesis Collection, a compilation of 28 hit games from the system that revolutionized console gaming forever.

Altered Beast, *Golden Axe* and *Shinobi III* are just a few of the classic games packed into this holiday treat. The original *Sonic The Hedgehog*, the game that defined the Genesis platform, has also been faithfully recreated as part of this blockbuster collection!

Key Features

- 28 SEGA Genesis games in one package.
- Includes original version of Sonic the Hedgehog, Golden Axe, and more.
- Multiplayer action via wireless functionality on the PSP.
- Bonus SEGA arcade classics to unlock.
- Interviews with SEGA developers from the Genesis era.
