In OutRun 2 – Special Tours Sega adds a number of new features that will challenge and entertain players of all skill levels including:

- **15 new exhilarating courses added for a total of 30! The new courses are based on highways and byways of the US. You'll recognize skylines and vistas of major cities and highways from across the country!**
- **2 new Ferrari's – the 512BB and 250GT. This gives players a choice of 10 of the world's greatest sports cars to race with!**
- **Players of any skill level will feel the thrill of competing like never before thanks to Sega's Re-tuned Artificial Intelligence. The enhanced AI will help novice drivers stay in the race until the very end resulting in increased enjoyment for all!**
- **Operator adjustable USA Course Selection. Operators can set the game up so that for an up charge, players can race exclusively on the 15 new US courses.**
- **New Back Ground music. 7 tunes from the original OutRun and Turbo OutRun have been added that'll bring back fond memories.**
- **Increased Internet Ranking System. Players can now enter the worldwide internet ranking system posting their scores from a variety of play modes including Time Attack, Heart Attack, Auto, and Manual Transmissions.**
- **Linkable to 4 units**

Available two ways:

- **50" Deluxe Sitdown Available February 2005**
- **29" Standard Sitdown Available March 2005**
