

Pigs Might Fly | Sega | Video | Ticket Redemption

This hilarious ticket redemption game with it's unique "Seesaw controller" sees players launching a pig into space, aiming to hit as many UFO's as possible. The more you hit, the more tickets you win. Destroy the mothership for a ticket bonanza.

1 player | Ticket redemption | 37" LCD screen | Fully programmable payout settings | Compact footprint

Gameplay

The aim of the game is to launch the pig using the seesaw and hit as many UFO's as possible to win tickets and try for the Mothership at the top to win the jackpot. But be warned hitting other UFO's or the dastardly pigeons will slow you down!
