# This is it - a realtime war simulation game!

Place: The Mediterranean Sea

Time: The Golden Age of the Roman Empire

Encamped in the harbor town of Ahendria on the island of Crete is the illustrious Julius Caesar and his army.

But now, off in the distance, a fleet approaches this peaceful city.....

This warfare system offers realtime simulation with four scenarios: a defensive battle, sea battle, land battle, and fortress battle.

Finish one scenario, and you're positioned perfectly to start the next... and to meet some of the most beautiful women in the known world.

Test your wits against one of the greatest military leaders of all time... can you duplicate the invincible strategy of Julius Caesar?

Soldier: Caesar, the army of Carthage has been on the rampage in this vicinity, and they seem determined to take this island.

Caesar: Their luck has deserted them. Command the entire army to destroy the Carthaginian ships when they land, cutting off their escape.

## Victory to Caesar!
