

## Montezuma's Revenge

The following information is a guide through the first level of Montezuma's Revenge only. This is provided to give you an understanding of the game so you can complete the remaining levels.

Go down the rope to get to the first screen. Get the white key and go through the white door on the right.

Jump over the snake and get the special items, then take the bottom ladder.

Jump to the right ladder to get the red key, then proceed down to get the white key. Then go up the same ladder you came from.

Go back over the snake again and back to the first screen.

Go through the white door on the left. Jump up and get the amulet, jump over the snake and go down the ladder and proceed to the left.

Go to the left (walk across the disappearing floor), and a gold face will be there. Jump up and grab the face then proceed down the ladder and walk to the left.

Get the knife and continue to the right while avoiding skulls and laser gates.

Jump up and get the jewels and proceed to the right.

Slide down the poles and go across the conveyor belt to the right. Go up the ladder and use the conveyor belts to get to the blue key. Note: When you're at the conveyor belt that is attached to the center brick wall, stand on the brick ledge. Push your jump button three times and you'll be on the top brick ledge. Jump from there to get the blue key.

Return to the top ledge and go down the center ladder and jump to the rope. Climb the rope to obtain a blue key.

Climb the rope and proceed to the left.

Go down the rope halfway and activate your amulet (by pressing button 2), jump through the blue door and collect all the items. Jump back to the rope, go down to the bottom floor and go all the way to the left to the disappearing floors. Work your way to the top and go left.

Jump over the spider and go down the ladder.

Proceed to the left and go through the doors. Get the white key and jump to the rope. Go down the ladder.

Get the jewels and proceed to the left.

Walk across the conveyor belt and go down the steps to the left ladder. Climb down the ladder to the first floor and take the ladder down to the next ladder.

Continue down.

While avoiding the bouncing skulls, jump to the rope and go down the ladder.

Jump from the ledge to the rope, climb up the rope and proceed to the left.

Go to the left and go down the ladder, avoid the skull and get the white key. Go down the small ladder and proceed to the left where the disappearing floor is.

Proceed left as possible. Wait until the floor disappears and fall to the next step below. Walk over to the ladder and take it down.

Jump to the rope on the right. Go half way down the rope and jump to obtain the red key. Go back to the rope and go to the bottom floor. Proceed to the left and use the disappearing floors to get to the top. Go left.

Go down the rope and jump to the level and avoid the spider. Go down the ladder.

\*\* The following information will lead you through the maze, although you are unable to see your path.

Go down the ladder where there are rolling skulls. Avoid the skulls and go right.

Proceed to the right. Go through the laser gates when they disappear.

Run all the way to the right (utilizing the ladder in the middle of the disappearing floor if necessary).

Go all the way across the screen to the ladder. Take it down then proceed to the left where you'll take another ladder down. Go right, get the white key and go up the left ladder. Go to the right and continue to the next screen.

Take approximately 5 steps and jump for the jewels and through the hole in the floor.

Quickly go to the right and jump on the platform.

You will enter another pyramid to the second level.
