## PRECAUTIONS

This disc contains game software for the PSP™ (PlayStation®Portable) system. Never use this disc on any other system, as it could damage it. Read the PSP™ system Instruction Manual carefully to ensure correct usage. Do not leave the disc near heat sources or in direct sunlight or excessive moisture. Do not use cracked or deformed discs or discs that have been repaired with adhesives as this could lead to malfunction.

Push down one side of the disc as shown and gently pull upwards to remove it. Using excess force to remove the disc may result in damage.

Place the disc as shown, gently pressing downwards until it clicks into place. Storing the disc incorrectly may result in damage.

## HEALTH WARNING

Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Avoid playing when tired or suffering from lack of sleep. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: dizziness, altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

## PIRACY

The PSP™ system and this disc contain technical protection mechanisms designed to prevent the unauthorised reproduction of the copyright works present on the disc. The unauthorised use of registered trademarks or the unauthorised reproduction of copyright works by circumventing these mechanisms or otherwise is prohibited by law.

If you have any information about pirate product or methods used to circumvent our technical protection measures please email [anti-piracy@eu.playstation.com](mailto:anti-piracy@eu.playstation.com) or call your local Customer Service number given at the back of this manual.

# SYSTEM SOFTWARE UPDATES

This PSP® (PlayStation®Portable) Game includes System Software update data for the PSP™ system. An update will be required if an "update request" message is displayed on-screen at game start-up.

## Performing a System Software

The update data is displayed with the icon Menu.

By following the on-screen instructions, you can update the System Software of the PSP™ system. Before performing the update, check the version number of the update data.

- During an update, do not remove the AC Adaptor.
- During an update, do not turn off the power or remove the PSP®Game.
- Do not cancel the update before completion as this may cause damage to the PSP™ system.

## Checking that the update was successful

Select "Settings" from the Home Menu, and then select the "System Settings" option. Select "System Information" and if the "System Software" version number displayed on-screen matches the version number of the update data, then the update was successful.

For details on System Software updates for the PSP™ system, refer to the following website: [yourpsp.com](http://yourpsp.com)

# PARENTAL CONTROL

This PSP®Game software has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PSP™ system to restrict the playback of a PSP®Game with a Parental Control Level that is higher than the level set on the PSP™ system. For more information, please refer to the PSP™ system Instruction Manual.

PARENTAL CONTROL LEVEL	AGE GROUP
9	Restricted to 18 and over
7	Not suitable for under 15 unless accompanied by an adult
5	Recommended for mature players
3	Parental guidance recommended
2	General

# SETTING UP

Set up the PSP™ system according to the instructions in its instruction manual. Turn the PSP™ system on and the POWER indicator will light up green. The Home Menu will be displayed. Press the OPEN latch to open the disc cover. Insert the SEGA Mega Drive Collection™ disc with the label side facing the rear of the PSP™ system and then securely close the disc cover. Select the  icon from the Home Menu and then select the  icon. An image of the software will be displayed. Select the image and press the  button to commence loading.

**PLEASE NOTE:** the information in this manual was correct at the time of going to print, but some minor changes may have been made late in the product's development. All screenshots for this manual have been taken from the English version of this product, and some screenshots might have been taken from pre-completion screens that differ slightly from those in the finished product.

## MEMORY STICK DUO™

Warning! Keep Memory Stick Duo™ media out of reach of small children, as the media could be swallowed by accident. To save Game Data and Settings Data, insert a Memory Stick Duo™ into the memory stick slot of your PSP handheld. You can load saved game data from the same Memory Stick™ or any Memory Stick Duo™ containing previously saved games.

**NOTE:** Please ensure you have sufficient free space on your Memory Stick Duo™ before commencing play. This title does not support certain characters used in the PSP™ system's Nickname. Replacement characters will be displayed.

# WIRELESS (WLAN) FEATURES

## WIRELESS (WLAN) FEATURES

Software titles that support Wireless (WLAN) functionality allow the user to communicate with other PSP™ systems, download data and compete against other users via connection to a Wireless Local Area Network (WLAN).

## AD HOC MODE

Ad Hoc Mode is a Wireless (WLAN) feature that allows two or more individual PSP™ systems to communicate directly with each other.

## GAME SHARING

Some software titles feature Game Sharing facilities which enable the user to share specific game features with other users who do not have a PSP®Game in their PSP™ system.

## INFRASTRUCTURE MODE

Infrastructure Mode is a Wireless (WLAN) feature that allows the PSP™ system to link to a network via a Wireless (WLAN) Access Point (a device used to connect to a Wireless network). In order to access Infrastructure Mode features, several additional items are required, including a subscription to an Internet Service Provider, a network device (e.g. a Wireless ADSL Router), a Wireless (WLAN) Access Point and a PC. For further information and setting up details, please refer to the PSP™ system Instruction Manual.

# STARTING UP

## SAVING SETTINGS DATA

Your Settings Data is automatically saved after changing settings and options, in-between games and when you return to the Game Select Screen as long as Auto Save is enabled. You can also choose to manually save your Game Data by pressing the SELECT button at anytime during the game and selecting Save Game Data. From the Options Menu, you can manually save Settings Data by selecting Save Settings.

## AUTO SAVE

As you progress, a message will appear on screen indicating your Settings Data is being saved. While this message is on screen, DO NOT remove the Memory Stick™ or Memory Stick Duo™ or turn off your PSP™ system.

Note: You can turn the Auto Save function ON or OFF in the Options Menu.

## LOADING SAVED SETTINGS DATA

Your Settings Data will automatically be loaded when you first boot up SEGA Mega Drive Collection™. You can also choose to manually load Settings Data at the Game Select Screen by selecting Options and then choosing Load Settings.

This game saves progress in-game as well as allowing you to save SMDC Game Data. The in-game save is stored in your Settings Data and will only be saved when you next save your Settings Data. When you load your Settings Data, any previous in-game saves will be loaded with it.

# GAME SELECT MENU

## SELECTING A GAME

Press the START button at the Title Screen to open the Game Select Screen. From this menu you will be able to scroll through the entire game

collection, select a game to play, view the Museum for each game, adjust the game's options, and check out bonus games you can unlock and play. Use the analog stick or the **↑** or **↓** button to cycle through the list of games.

On the right side of the Game Select Screen you will find information regarding the number of players for each game and its release year along with the following Game Select options:

Option	Effect
R button = Join Game	Choose this to join an Ad Hoc multiplayer game being hosted by a nearby opponent. Note: For more information, see Join Game below.
○ button = Options	Choose this to open the Options Menu.
□ button = Extras	Choose this to open the Extras Menus and see what bonus games you can unlock and play.
△ button = Museum	Choose this to access the Museum of the highlighted game.
× button = Play	Choose this to load the highlighted game.

## PLAY

Press the **×** button when you're ready to play the game highlighted in the Game Select Screen. Once the game has loaded, press the START or **×** button again to begin playing.

## JOIN GAME

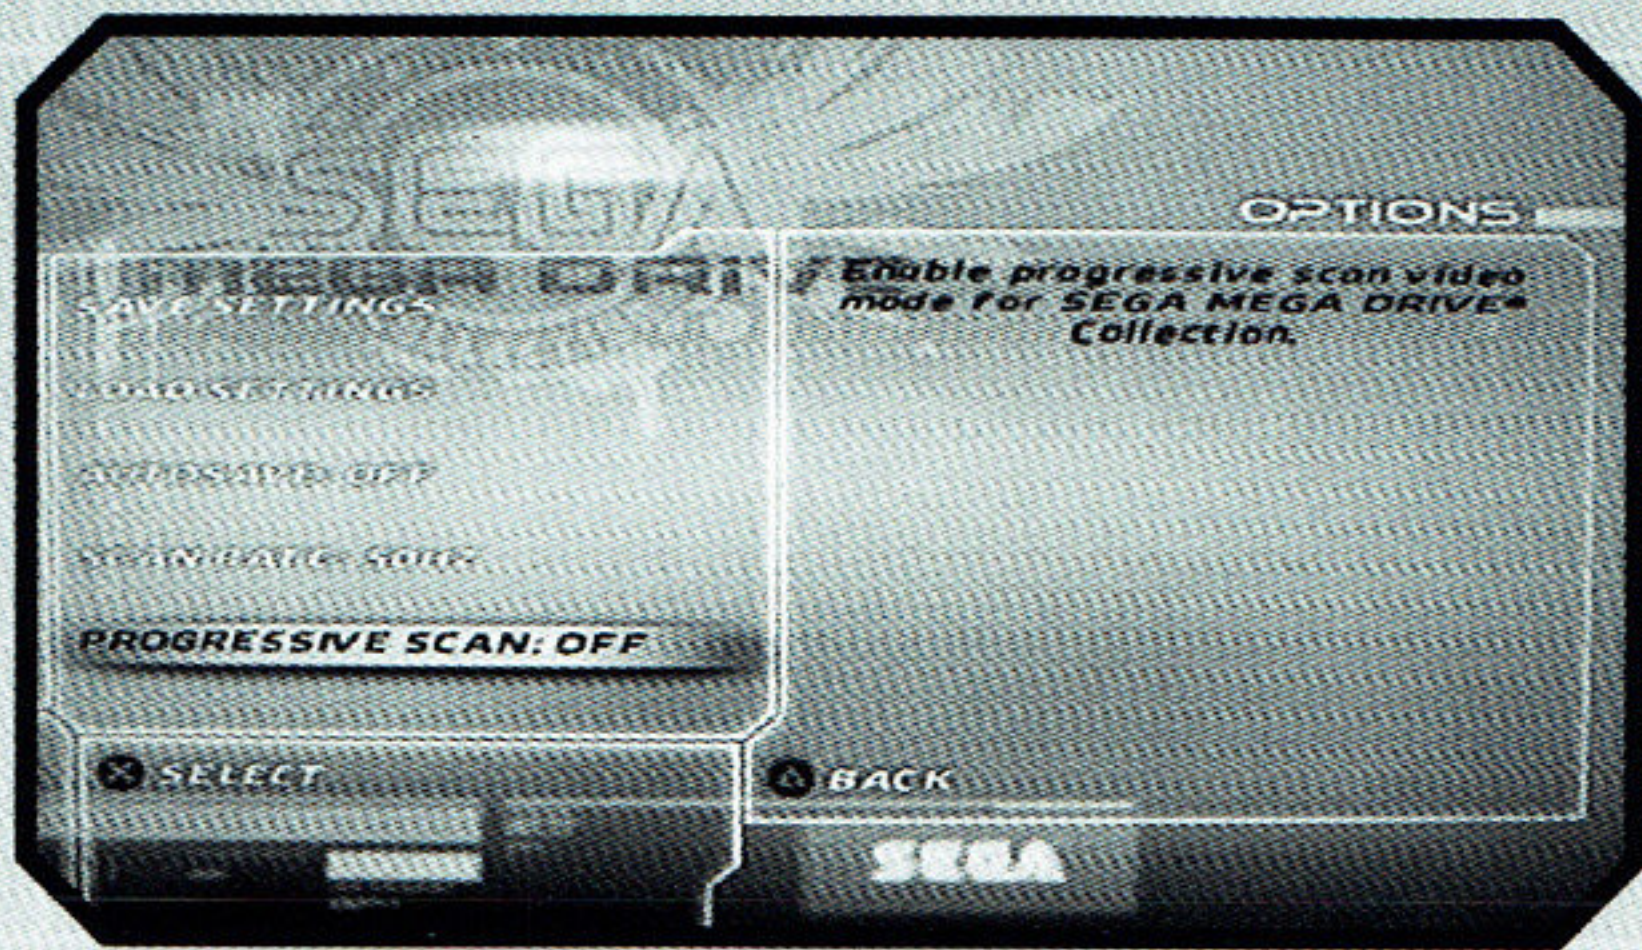

Press the R button at the Game Select Screen to open the Join Game Menu and join an Ad Hoc multiplayer game being hosted by a nearby opponent. By default, anyone running the SEGA Mega Drive Collection™ will be hosting a multiplayer game if they have not disabled Wi-Fi via the WLAN switch.

**Note:** For detailed information, see Multiplayer, page 13.

# OPTIONS MENU

Access the Options Menu by Pressing the **○** button from the Game Select Screen. Here, you can manually save and load settings and

toggle ON or OFF Auto Save. Use the analog stick or the **↑** or **↓** button to highlight an option and press the **⊗** button to select your choice. Once selected, use the directional buttons **←** and **→** to make the adjustment and press the **⊗** button to accept. Pressing the **○** button will return you to the previous menu. Options settings will be saved automatically upon returning to the Game Select Screen as long as the Auto Save function is enabled. If not, manually save your settings by selecting Save Settings in the Options Menu.

## SAVE SETTINGS

Select Save Settings to manually save your Settings Data and unlocked content. You don't need to manually save your Settings Data unless the Auto Save function has been turned OFF.

## LOAD SETTINGS

Select Load to manually load your Settings Data as well as your unlocked content.

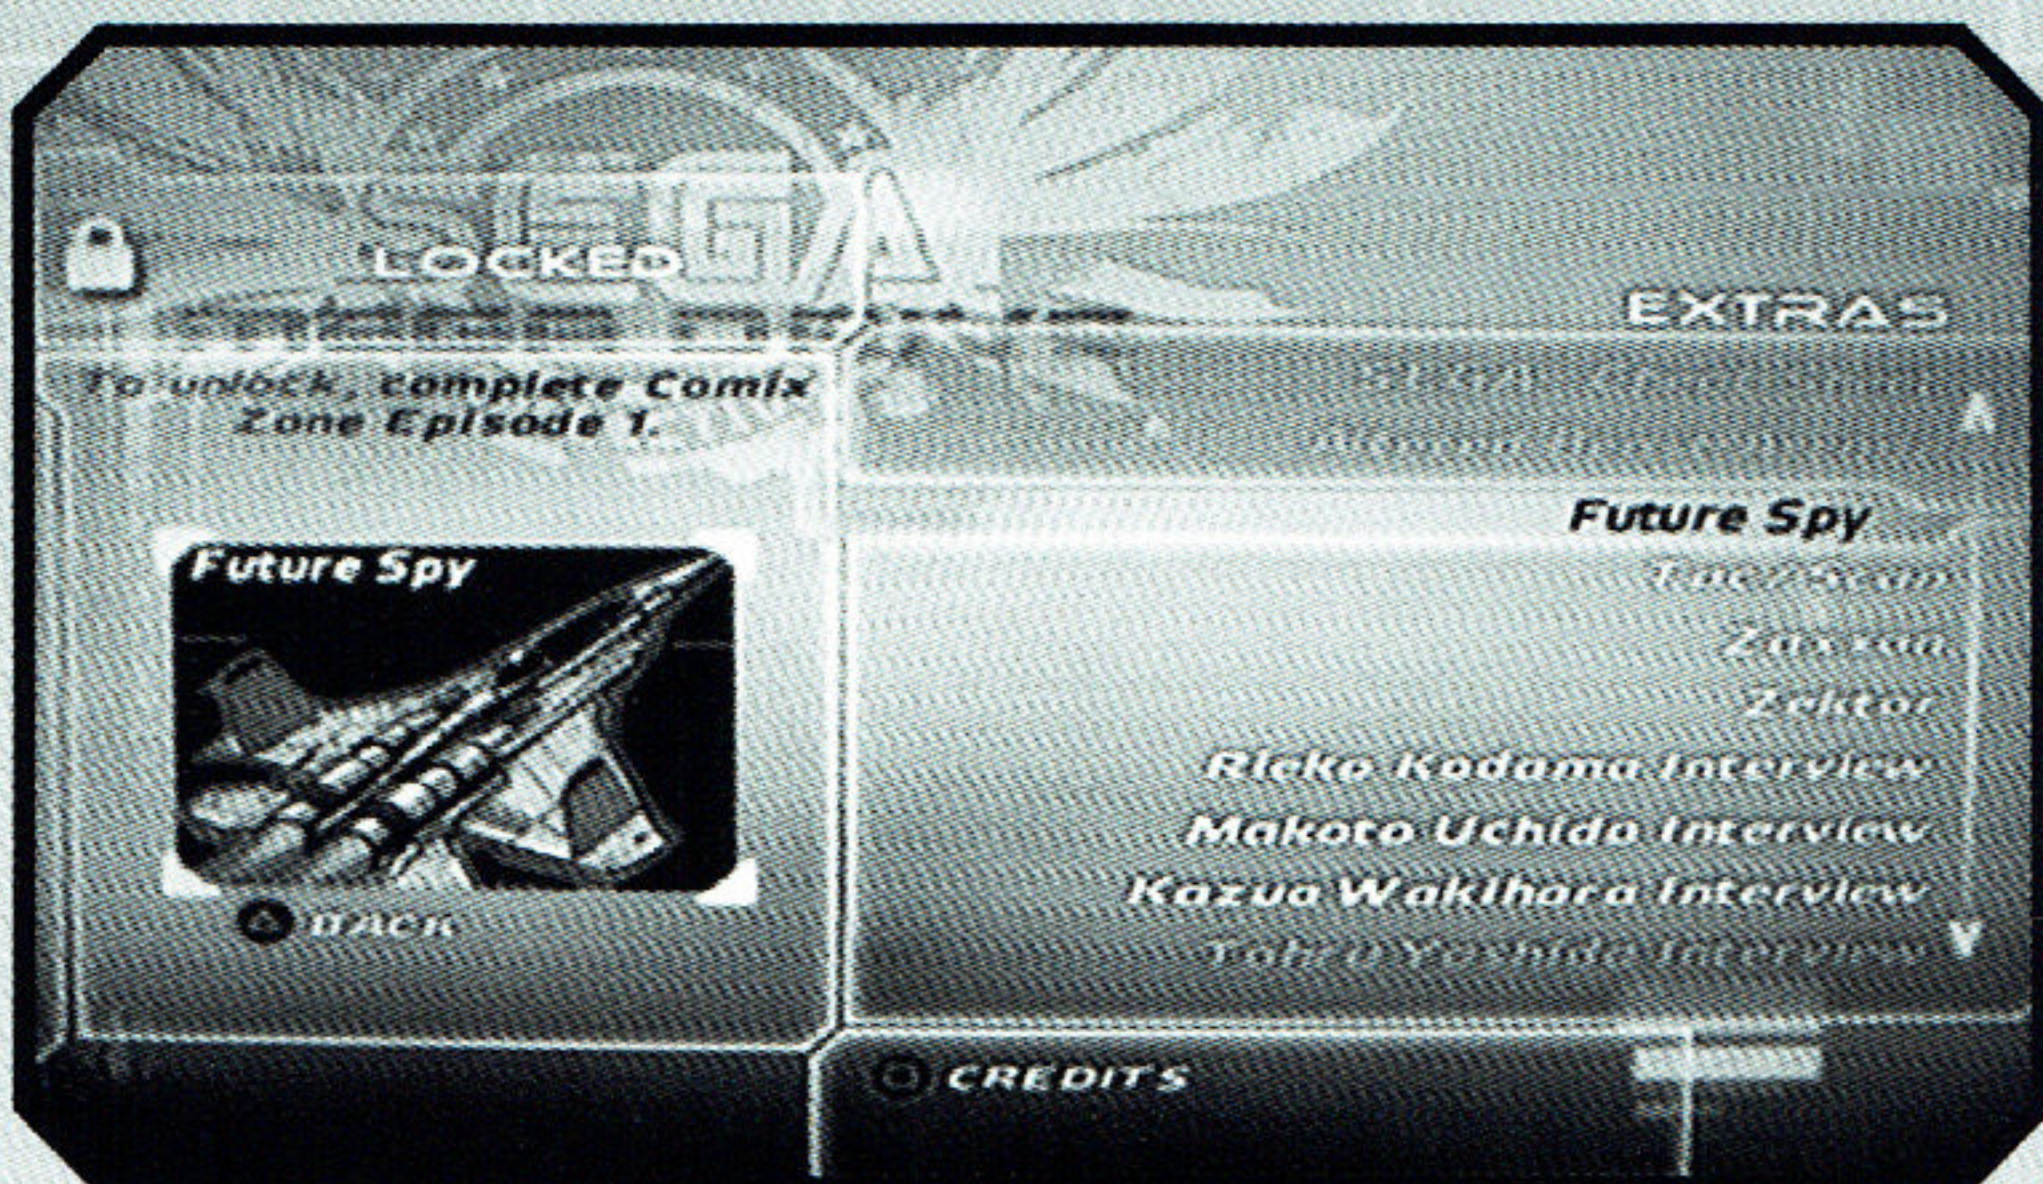

**Note:** Choosing this option before saving will cause any unsaved scores and settings to be lost.

## AUTO SAVE

Toggle Auto Save ON or OFF. Auto Save occurs when you exit the Options Menu, when you have unlocked bonus content, or when you achieve a high score after a game is over.

# EXTRAS MENU

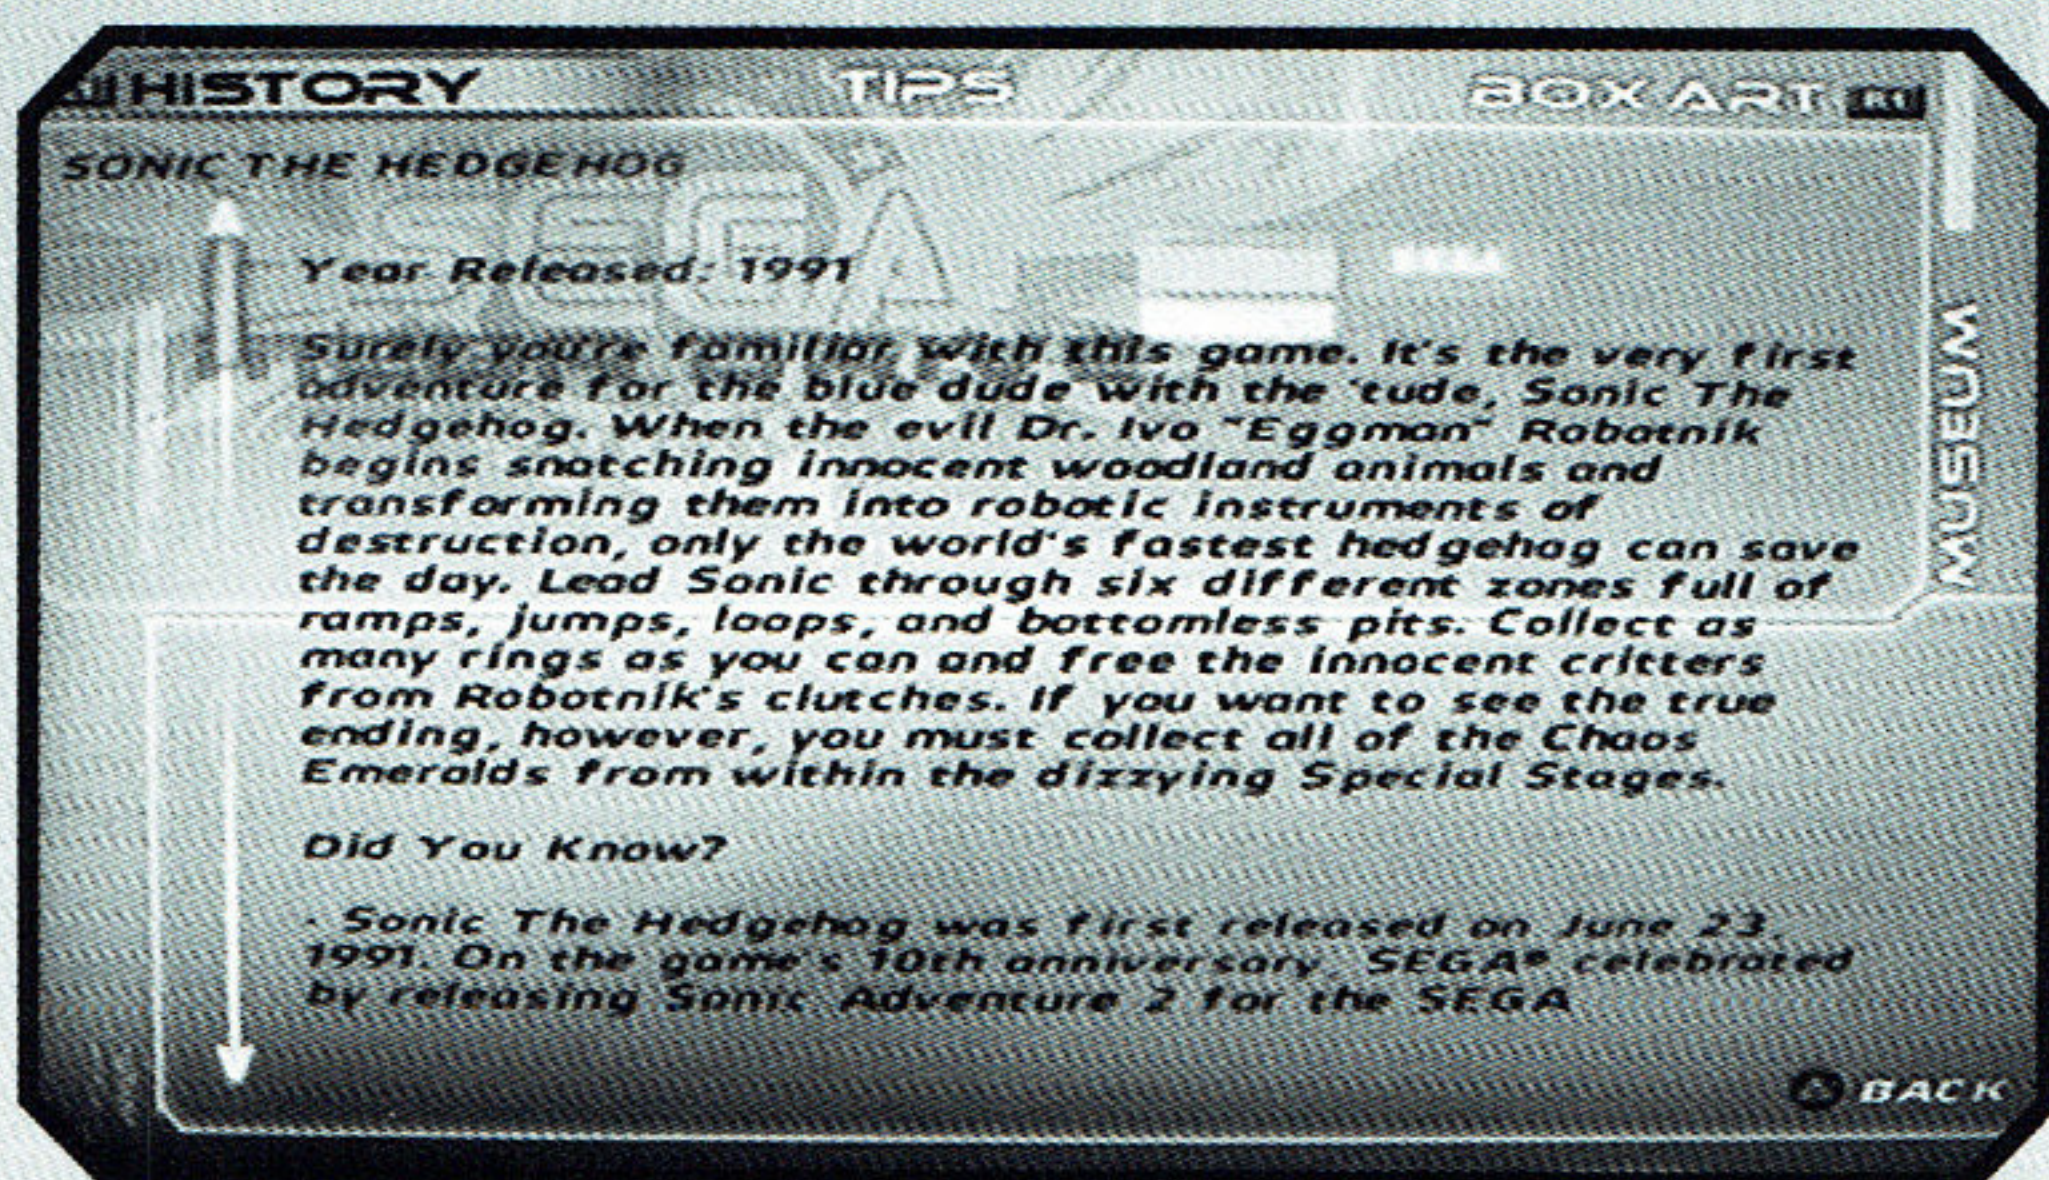

Access the Extras Menu by pressing  from the Game Select Screen. SEGA Mega Drive Collection™ has five classic games as well as numerous developers interviews and trailers that can be unlocked and played in the Extras Menu. Use the analog stick or the  or  button to cycle through the list of games and press the  button to select your choice. Press  to view the credits for SEGA Mega Drive Collection™. Pressing the  button will return you to the Game Select Menu.

## UNLOCK CONDITIONS

The unlock conditions for each bonus can be revealed by simply highlighting the game title, developer interview, or trailer on the EXTRAS menu.

# MUSEUM

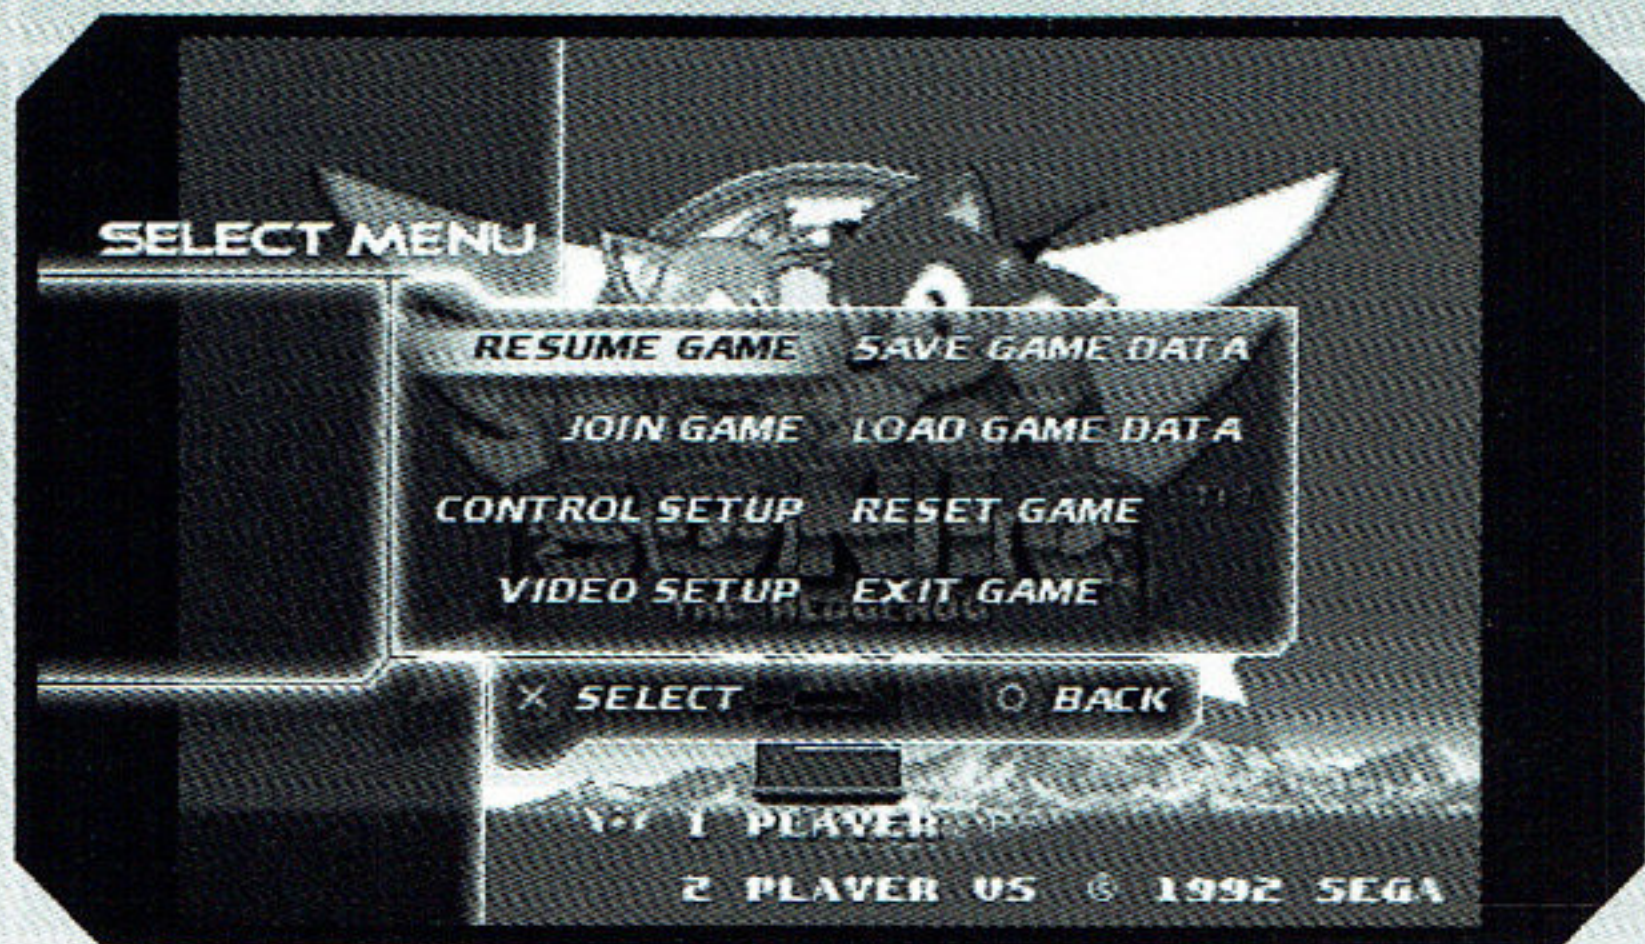

Each game in the SEGA Mega Drive Collection™ has its own Museum, which includes a history of the game, tips for playing, and artwork from the game. To enter the Museum of a game, highlight the game in the Game Select Screen and press the  $\triangle$  button. While in the Museum, press the L button or R button to cycle between the History, Tips, and Art sections. Press  $\triangle$  to return to the Game Select Screen.

Option	Effect
History	Read the history and little known facts about each game. Use the analog stick or the $\uparrow$ and $\downarrow$ to scroll through the text.
Box Art	View each game's artwork and early concept sketches. Use the analog stick or directional buttons to highlight a piece of artwork and press the $\otimes$ button to view it. Once in view mode, you can use the analog stick to zoom in and out and the directional buttons to move the art around. Press the $\otimes$ button to toggle the Help Bar on and off. Pressing the L or R buttons will allow you to cycle through each piece of art, and the $\odot$ button will return you back to the previous page.
Tips	Learn handy tips and strategies that will help you master each game. Use the analog stick or the $\leftarrow$ and $\rightarrow$ button to cycle through them.

# SELECT MENU

While playing a game, press the SELECT button at any time to enter the Select Menu. Here you can edit the button layout, change video size, save and load Game

Data, and exit or reset the current game. Use the analog stick or directional buttons to cycle through the options and press ⊗ to select the option. Press ⊙ to exit back to the game.

## RESUME GAME

Exit the Select Menu and return to gameplay.

## JOIN GAME

This option will take you to the Join Game Menu and allow you to join an Ad Hoc multiplayer game hosted by a nearby opponent.

## CONTROL SETUP

Select Control Setup to view the unique controls of each game and customize the button layout for the game. For two-player games, each player will have to individually access the Controller Setup option in order to change their controls. Once you are finished configuring the Controller Setup, highlight DONE and press ⊗ to save changes and exit back to the Select Menu. You can also select Cancel to exit back without saving changes, or restore the default button configuration by selecting DEFAULT.

**Note:** Controls can also be changed to reflect the original ABC button configuration.

Option	Effect
Mapping Controls	To reassign a button to a new function, use the analog stick or directional buttons to highlight the desired function, then press the button you wish to assign to the function. The button's icon will now appear next to its new function along with any buttons previously assigned to the same function. Certain buttons can also be unassigned to give them no function at all. However, you cannot alter the analog stick or directional button controls.
Rapid Fire	Certain games will have a Rapid Fire option. You can toggle this option ON/OFF by highlighting it at the bottom of Control Setup and pressing the ⊗ button. Enabling the Rapid Fire option will allow you to shoot much faster in games where there is a fire button. The Rapid Fire button will only affect the shooting or firing function of the game and will be mapped to whichever button it's been assigned.

# SELECT MENU

## VIDEO SETUP

Video Setup allows you to adjust your game's viewing area on your PSP™ system. Use the analog stick or directional buttons ← and → to select from one of three screen modes (ORIGINAL, STRETCH, FIT). Press the ⊗ button to accept and return to the Select Menu or the ⊙ button to cancel. The ⊞ button will reset the screen to the default position

## SAVE GAME DATA

Select Save Game Data to save your Game Data.

## LOAD GAME DATA

Select Load Game Data to load your Game Data.

Note: Choosing this option before saving will cause any unsaved game progress to be lost.

## RESET GAME

Selecting this option will reset the High Scores for the selected game back to its default High Score table. The game will also restart from its title screen.

## EXIT GAME

Select this option to quit out of the game and return to the Game Select Screen.

# MULTIPLAYER

Play cooperatively or by alternating turns wirelessly with a friend using the PSP™ system's Ad Hoc Mode. To join a game in progress, press the R button at the Game Select Screen to open the Join Game Menu and join an Ad Hoc multiplayer game being hosted by a nearby opponent. By default, anyone running the SEGA Mega Drive Collection™ will be hosting a multiplayer game if they have not disabled Wi-Fi via the WLAN switch.

**Note:** If the WLAN switch has been disabled, the JOIN GAME option will be grayed out and will not be selectable.

At the Join Game Menu, the Hosts List on the left side of the screen displays all hosts it detects across the Ad Hoc network, along with pertinent information about each host (the name of the game they are playing, the number of players in that game, and amount of time the host has been playing during that game or the host's current level).

Option	Effect
Navigate Host List/Highlight menu item	Analog stick or the ↑ / ↓ button
Join game/Update list	⊗ button
Return to Main Menu	⊙ button

# MULTIPLAYER

The following games offer cooperative multiplayer over the network:

- Altered Beast
- Bonanza Brothers
- Gain Ground
- Golden Axe
- Golden Axe II
- Golden Axe III

The following games offer 2-player versus mode:

- Columns
- Sonic the Hedgehog 2
- Virtua Fighter 2

The following unlockable games can be played with alternating turns over the network, or they can be played 2-player with a shared PSP™ system:

- Astro Blaster
- Tip Top
- Eliminator
- Space Fury
- Super Zaxxon

**Note:** Co-operative games can be joined at any time for network play. Alternating Network games can also be joined at any time, however accepting a join request will reset the current game and start a new game in alternating mode.

# MULTIPLAYER

## ACCEPTING A JOIN GAME REQUEST FOR A COOPERATIVE GAME

When selecting a game from the Join Game list, the player who is hosting a game session will receive a message on their screen allowing them to accept the network connection.

Their game will pause while this message is displayed and they will have the choice to ACCEPT, REJECT or IGNORE your request. Use the analog stick or directional buttons to highlight your choice. Press the  $\otimes$  button to accept your choice. Press the  $\odot$  button to automatically REJECT the request.

**Note:** When choosing IGNORE, you will refuse the network connection from the second player. Doing so bans the second player from making further join requests. This ban is lifted when the player exits the current game to the Game Select Menu or turns off the PSP™ system.

## PAUSING THE GAME / CHANGING SETTINGS DURING NETWORK PLAY

If you pause the game during network play (or access the Start Game Menu), all connected players' games are paused and darkened and a message will appear in the upper-right corner of each connected players' screen notifying the other player that you are changing settings.

**Note:** If the other player has paused the game during network play, you can also access your Pause Menu by pressing the START button.

## LOSS OF CONNECTION / DROPPING NETWORKED PLAYERS

If a network player is dropped from a game – either by choice or due to network failure – the game in progress on all PSP™ systems will be paused and you can choose to reset the game or exit the Game Select.

# WARRANTY

WARRANTY: SEGA Europe Limited warrants to you, the original purchaser of the Game, that this Game will perform substantially as described in the accompanying manual for a period of 90 days from the date of first purchase. If you discover a problem with the Game covered by this warranty within the 90-day period, your retailer will repair or replace the Game at its option, free of charge, according to the process identified below. This limited warranty: (a) does not apply if the Game is used in a business or for a commercial purpose; and (b) is void if any difficulties with the Game are related to accident, abuse, virus or misapplication. This limited warranty gives you specific rights, and you may also have statutory or other rights under your local jurisdiction.

RETURNS WITHIN A 90 DAY PERIOD: Warranty claims should be made to the retailer from where you bought the game. Return the Game together with a copy of the original sales receipt and an explanation of the difficulty you are experiencing with the Game. At its option, the retailer will either repair or replace the Game. Any replacement Game will be warranted for the remainder of the original warranty period or 90 days from receipt, whichever is longer. If for any reason the Game cannot be repaired or replaced, you will be entitled to receive your direct (but no other) damages incurred in reasonable reliance but only up to the amount of the price you paid for the Game. The foregoing (repair, replacement or limited damages) is your exclusive remedy.

LIMITATIONS: TO THE FULL EXTENT ALLOWED BY LAW, NEITHER SEGA EUROPE LIMITED, ITS RETAILERS OR SUPPLIERS ARE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES ARISING FROM THE POSSESSION, USE OR MALFUNCTION OF THIS GAME

Information in this document, including URL and other Internet Web site references, is subject to change without notice. Unless otherwise noted, the example companies, organizations, products, people and events depicted in the game are fictitious and no association with any real company, organization, product, person or event is intended or should be inferred.
