Domination, wealth, power and justice are all part of the Godfather's game plan. Outsiders who try to muscle-in on his business get more than they bargain for. In this town, corruption and violence rule. In this exciting multi-level platform game you play the part of an aspiring gang member trying to work your way up the Mafia ranks. You soon get wise to the mobster's scheming plans, and in the dark seedy back streets of New York, where the action begins, you soon discover you're not alone.....
