

HYPER AUDIBLES

WELCOME TO THE WILD WORLD OF NFL™ QUARTERBACK CLUB™ '96 HYPER AUDIBLES!

This unique play calling feature lets you adjust your calls to fit the situation, with over 50 available plays! No more running into a buzz-saw defense who saw your play coming. No more looking at a pass formation and being helpless to shift defenders. Now you can make last-minute play changes on the line, and really let your QBs do their stuff!

HOW HYPER AUDIBLES WORK
To call for a Hyper Audible, press the A BUTTON when your team is set at the line of scrimmage. (NOTE: make sure to switch Audible Type, in the Pause Options, to Hyper Audibles.) This will allow you to enter the three button code that matches the Hyper Audible you wish to call. It's easy to remember them, because each button means something!

THE FIRST CODE BUTTON:

This sets the type of play. The A BUTTON calls for a RUN play, the B BUTTON calls for a PASS play, and the C BUTTON calls for SPECIAL TEAM plays. NOTE: BOMB ZONE PASSES are part of SPECIAL TEAMS.

THE SECOND CODE BUTTON:

On running and passing plays, this sets the play distance. Press the A BUTTON for a SHORT yardage play, the B BUTTON for a MEDIUM yardage play, or the C BUTTON for a LONG yardage play. For SPECIAL TEAMS plays, the second code button selects the type of play: Press the A BUTTON to call for a FIELD GOAL, the B BUTTON to call for a PUNT, or the C BUTTON to call for a BOMB ZONE PASS.

THE THIRD CODE BUTTON:

On running and passing plays, including BOMB ZONE plays, this sets which part of the field the play will go to. Press the A BUTTON for plays to the LEFT, the B BUTTON for plays to the CENTER, and the C BUTTON for plays to the RIGHT. For FIELD GOAL and PUNT plays, the third code button sets the type of kicking play. Press the A BUTTON for a NORMAL punt or field goal. Press the B BUTTON for a RUN FAKE (a running play out of a kick formation). Press the C BUTTON for a PASS FAKE (a pass play out of a kick formation).
