

# Panzer Dragoon: Remake

**Publisher Name:** Forever Entertainment S. A.

**Developer Name:** Megapixel Studio S. A.

**Genre:** Dramatic Shooting

**Nintendo Platform:** Nintendo Switch

**ESRB with Descriptors:** RP (anticipated E10+)

*If RP, please specify anticipated rating*

**Number of Players:** Single-player

**Release Date/Window:** This Winter

**Marketing Tagline:** 'Reborn in Panzer' or 'Panzer Again'

## **Game Description:**

A new, remade version of the Panzer Dragoon game – true to the original, with improved graphics and controls, that suit modern gaming standards! On a far, lone planet, you encounter two dragons awoken from the ancient times. Armed with a deadly gun from the past, and the guidance of your armored blue dragon, you must fulfill your destiny and keep the Prototype Dragon from reaching the Tower or die trying.

## **Key Features:**

- Pilot through seven unbelievably realistic levels ranging from tropical blue ocean cities to intricate subterranean ruins.
- Fight the Prototype Dragon who appears together with evil giant dragonflies, frightening man-sized wasps, giant sandworms, and lethal flying battleships.
- Attack approaching from all sides enemies quickly and without mercy, with improved 360-degree controls and lock-on targeting.
