

# GODSRULE

## WAR OF MORTALS

### About:

**Godsrule: War of Mortals** brings a fresh twist to strategy games with real-time Player vs. Player combat and cross-platform gameplay.

### Story:

Since the dawn of time, mortals worshipped the Old Gods as their ultimate leaders. With the rise of new gods, the old gods' grasp on mortals was weakened. Unwilling to cede their power, the old gods attacked the new...

Humans joined the old gods. Elves, demons and giants joined the new. The two factions are clashing in the ultimate war between the Keepers of the Ancient and the Souls of Ascension. Join the battle and fight for control of the empire! It's your turn to rule!

### Features:

- Take on your enemies and battle online with other players in real-time multiplayer combat.
- Fight for your Faction and Clan to earn bonuses for your team.
- Cross-platform gameplay allows you to play on your PC browser or on the-go on your iPad.
- Solo combat missions build skills and improve your village.
- Complete Tasks and Quests to receive valuable rewards.
