

GO DANCE™

Game Summary

GO DANCE is the new dance and rhythm game with real motion-based capture technology. Players can now dance anytime, anywhere.

Players can dance, share and compete with friends from around the world via Facebook and e-mail. With varying difficulty levels beginners and experts can dance their best. And customize their avatars look and dance backgrounds.

Key Features

Real Motion-Based Mobile Dancing

GO DANCE utilizes Extreme Reality™ motion-capture technology by XTR to turn the FaceTime® Camera into a motion-sensor. Now player's movements are captured and scored in real-time.

Key Features

Chart Topping Tracks

Move to the rhythms of LMFAO, Avicii, Lady Gaga, \ Nicki Minaj, Flo Rida and more.

Dance with friends

Share and compete with your Facebook friends from all over the world. Players can play in fun dance battles without worrying about running out of opponents.

Customize your Avatar and more

Players can mix and match an assortment of tops, bottoms, shoes and accessories to perfect their dance avatars. And look forward to new content based on new music and artists.

Dance on your HDTV with AirPlay

GO DANCE supports AirPlay so Apple TV owners can play on their HDTVs.

Track List

"Party Rock Anthem" LMFAO featuring Lauren Bennett & GoonRock*

"Super Bass" Nicki Minaj*

"Wild Ones" Flo Rida featuring Sia

"Levels" Avicii

"Poker Face" Lady Gaga

"Yeah 3x" Chris Brown

"Complicated" Avril Lavigne

**Free with game purchase, all other tracks available via in-game purchase. More music and artists to be announced.*
