F-ZERO AX

F-ZERO AX takes you on an exhilarating race through a 26th century sci-fi world where the only thing that matters is speed! Prepare to be amazed as you pilot your racer through an unbelievably realistic alien world where winning is the only thing that matters.

F-ZERO AX Features Include:

- Sega's exclusive MCRD* technology lets you save your race results, points total, pilot selection, and machine set-up. You can:
 - Build the machine of your dreams, saving it to race again and again!
 - Create a user ID, allowing you to post your top scores on the F-ZERO web site (**F-ZERO.jp**) and see how you rank against the galaxy's best!
 - Save race results, including pilot points acquired, number of races won, number of rivals destroyed and much more!
 - Enhances the interaction between **F-ZERO AX** (arcade version) and **F-ZERO GX** (Nintendo GameCube™ version).

(*Memory Card Reader and Dispenser; MCRD is for F-ZERO AX License Card only.)

- Interactive with Nintendo GameCube **F-ZERO GX** game. For the first time, players can exchange features between the arcade and GameCube version by using Nintendo GameCube Memory Card.
- Internet-based ranking system at **F-ZERO.jp** lets you post your best scores from time-attack mode against the best **F-ZERO AX** players in the galaxy!
- Motion-based cabinet** puts you in the cockpit and at the controls of a futuristic racer unlike any you've raced before. (** deluxe only)
- Link up to 4 **F-ZERO AX** cabinets together for head-to-head racing action.
