SEGA RALLY 2

SEGA RALLY

CHAMPIONSHIP™

Jump gap after gap, and right the car with split second timing after sliding around. The course conditions change with mind-boggling speed as cheers from the crowd but your mind is focused on only one thing - the finishing line!

Surrounded by beautiful scenery, the road is transformed into the ultimate stage as the hottest machines around take to the streets.

With its unparalleled recreation of rally racing, from through beginners, to die hard game fans.

Car bodies and course conditions are accurately recreated to bring you spectacular graphics. All Sega's development.

The player is given navigation tips using icons and voice overs.

Choose two different perspectives, driver's eye or rear view

ound corners.
owd ring out,

**Use the side brakes
to do spin turns**

Experience the true-to-life steering
and feel the drift.

thrills, Sega Rally 2 is sure to appeal to a wide range of players, from rally fans,
ns. Expect both long-term high returns and added excitement in your location.

eated, and the incredible processing power of the Model 3 step 2 board is used to its best advantage
opment skills and technological know how combine to recreate stunningly realistic rally car racing.

- **Up to four-unit linked play.**
- **Engine sounds sampled from real cars combined with a speaker system that recreates all the thrills of rallying.**
- **A variety of music keeps the action pumping.**
- **2 modes and 5 stages.**

• Each cabinet features a roll-bar and bright colouring.

• A large billboard in the shape of a rally car will grab customers attention.

Sega's Model 3 board has been powered up to bring you an awesome total of 1 million polygons per second with its new "Model 3 Step 2" board.

"Step 2" features a CPU with even greater processing power and improved polygon display for much greater realism. The true to life and eye catching visuals made possible by the Model 3 Step 2's advanced functions are now taking 3D-CG games to a new level.

Utilises the real - time 3D-CG board "Model 3 Step 2"

A huge 50 inch projection TV

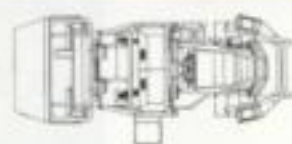

Deluxe

The feel of the steering matches the corners and road conditions. Vibration units below the seats and at the players feet recreate shakes and shocks corresponding to the road surface. Four speakers for sound effects and two speakers for background music heighten the feeling of really being there.
