# F-ZERO™ F-ZERO™

**Looking for Thrills and Spills, then get into F-ZERO for Extreme High Speed Racing.**

**Feel your heart pound at speeds of 2000km per hour. Hold on tight around the bends as the Deluxe cabinet swings outwards with you.**

**The "F-ZERO" series is the latest collaboration of Nintendo and Sega, made especially for speed junkies of all ages.**

*F-ZERO is an unbelievably realistic experience set in an alien world with intense and mind-boggling cut-scenes. Players can use Nintendo GameCube Memory Card with this arcade machine to link the data that they create at home with the data that they create in an arcade. Players can also use the F-ZERO License Card system to customise and develop their own machine and store the data. Play everywhere and store your data.*

## Play with "F-ZERO License Card"

Customize your own original machines by purchasing an F-ZERO License Card

## Continue Play with "F-ZERO License Card"

Store your race history data on the card to build up your "Pilot Points". Collect the "Pilot Points" to be awarded machine parts to customize your machine. Increase your "Pilot Rank" position.

## TWO RACE MODES

### RACE MODE:

A total of 30 machines will appear on the screen to race against. Additionally up to 4 players can race against each other in linked mode.

### TIME ATTACK MODE:

Players try to score the best time by racing alone. Check out your scores on the worldwide internet ranking league using a password

## Special Advice

Use the "Slide Turn" when you need to turn sharply. Attack your opponents by "Side Attack" and "Spin Attack"
