FIST OF THE NORTH STAR

IN THE AFTERMATH OF THE APOCALYPSE, THE WORLD NEEDS A HERO...

A savage world is all that remains in the wake of the nuclear devastation. Warlords and gangsters have taken over the land forcing the meek into submission and killing all that oppose them. Legend speaks of one who will rise to defeat the tyrants and free the masses.

The famous Anime series is now the latest arcade game from Sega! Players can choose their favorite characters from the series including Kenshiro, Raoh, Toki, Jagi, Shin, Rei, Juda, Thouter, Mr. Heart, and Mamiya!

Fist of the North Star features include:

- 1 or 2 player game with continuous buy-in.
- Boost Gauge – For offensive attacks
- Aura Gauge – For defensive maneuvers
- North Star Gauge – Your 7 stars are your life force! Lose them and your Star of Death will shine making you dangerously vulnerable to enemy attacks!
