The arcane writings of the ancient profits speak of a being of darkness, so powerful that he can't be human. It is said, "He is a creature that hides a secret, in a floating world that dies and grows again."

Your mastery of swordsmanship will aid you in your quest. Adventure awaits you with over 120 different landscapes, 40 different characters, digitized sounds, and blazing graphics.

Colorado 1801 - On the search of the legendary Cheyenne's gold mine.

In this adventure game, action, mysteries and moments of surprise are waiting for you on 100 different scenes. In these dangerous places, you will have to fight for survival armed with axes, daggers, rifles and explosives. Finally, you will go down stream on the terrible rapids of the Colorado river in a canoe. A stunning arcade game in 3 dimensions.

Starblade the epic space-adventure, that takes place in the year 3001. The human race has been scattered across the vastness of the Orion galaxy by the ruthless Insecti-zoid Cephalhydras.

Through genetic engineering the Cephalhydras have produced "Genolyn", the hideously mutated Qusen brood-mother, that will spawn a legion of super-warriors created to hunt and kill humans every-where in the galaxy.

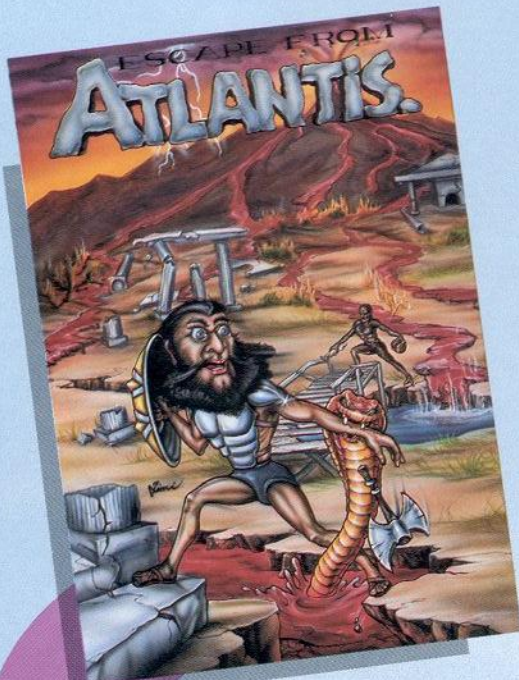

Board "STAR-BLADE"; travel the galaxy; locate and destroy Genolyn before she starts to breed.

Patrolling Earth outpost 67-A4 in the Andromeda Galaxy seemed easy until all communications with the tiny station were lost. As you enter the atmosphere, wave upon wave of enemy battle craft replace any anxiety you had with stark fear.

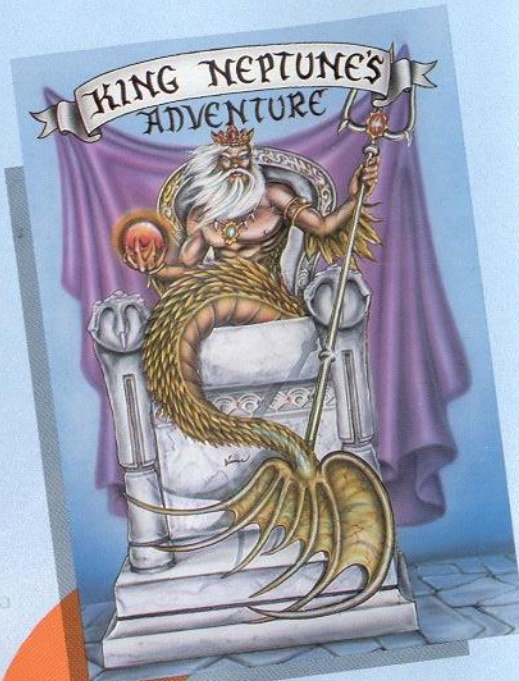

You have crossed the vastness of space alone and help is thousands of light years away. You have only two options: destroy the mechanized monsters and robotic fighter craft or be destroyed yourself!

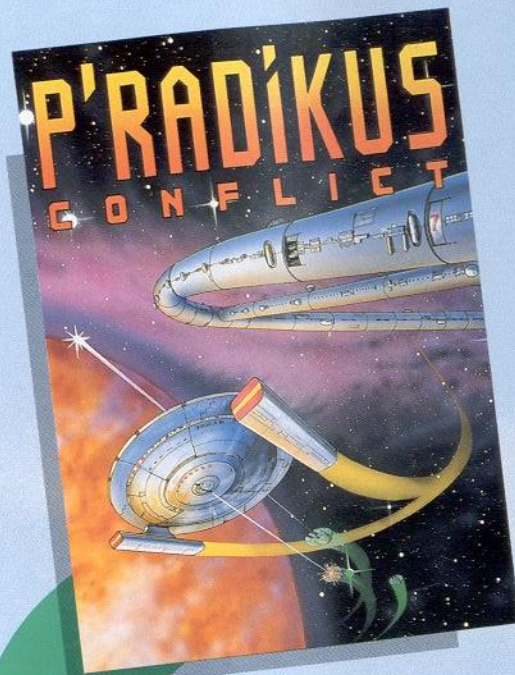

ESCAPE FROM ATLANTIS

Molten lava rocks rain down on your head and the ground opens up swallowing the entire city as you attempt to escape from the legendary city of Atlantis. The game consists of 7 mini-games with different action in each. If you can make it through all levels, a boat awaits to take you to safety.

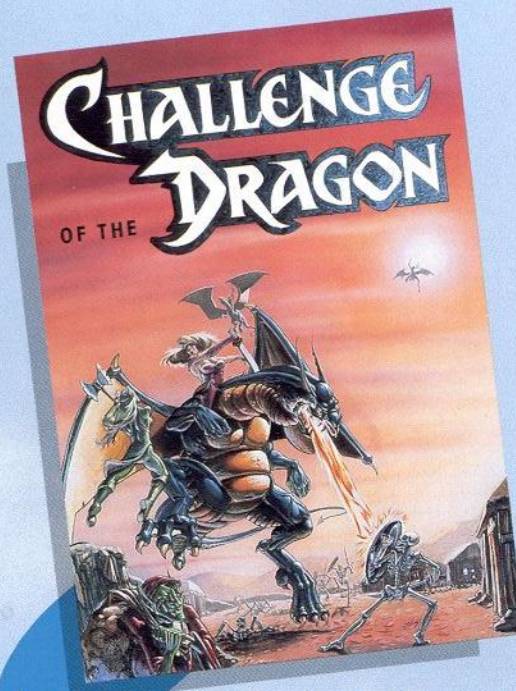

KING NEPTUNE'S ADVENTURE

After centuries of happiness under the peaceful reign of King Neptune, the Emerald Orb of Peace has been stolen! Evil now runs rampant under the sea. A dark tentacled creature was glimpsed slipping away. Some believe its lair to be in the inner chambers of Atlantis. Help King Neptune retrieve the Orb and restore peace to his fallen kingdom.

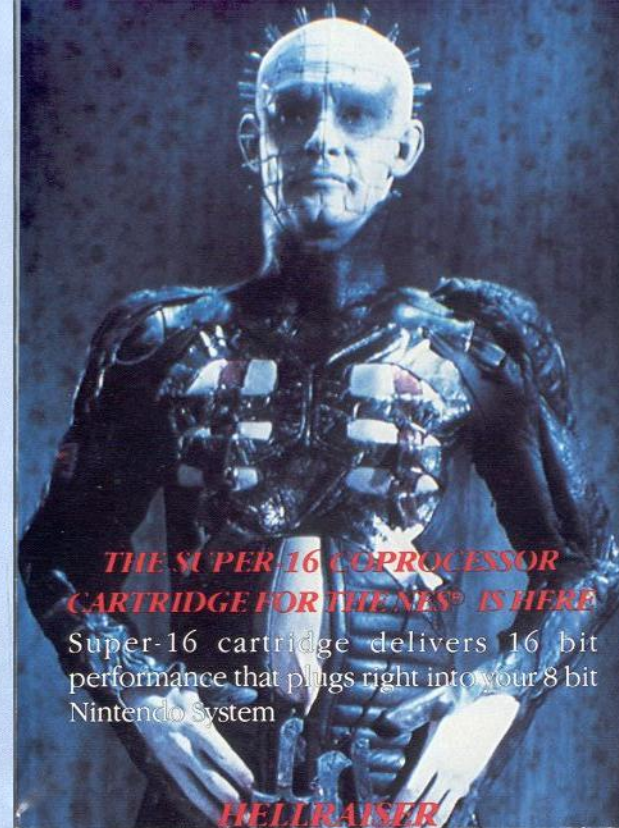

P'RADIKUS CONFLICT

1000 years ago the warlike tribes of P'Radikus achieved space travel by stealing a star ship from the peaceful Lexatorians. Since then they have attacked and ravaged many worlds. Visit the many planets of the galaxy and rid them of P'Radican outposts. Destroy the home world of P'Radikus. It is the only hope of stopping the spread of the evil empire.

CHALLENGE OF THE DRAGON

It is a time long, long ago when the world was young. Dragons and sorcerers roamed the land. And battles were won by swords and magic. An evil tyrant has set out to conquer all the land. He will enslave or destroy anyone that stands in his way. Many have tried to defeat the evil magician, many are now in their graves. Are you the savior spoken of in the ancient legends?

THE SUPER-16 COPROCESSOR CARTRIDGE FOR THE NES® IS HERE!

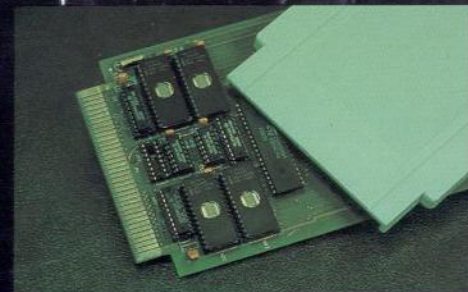

Super-16 cartridge delivers 16 bit performance that plugs right into your 8 bit Nintendo System

HELLRAISER!

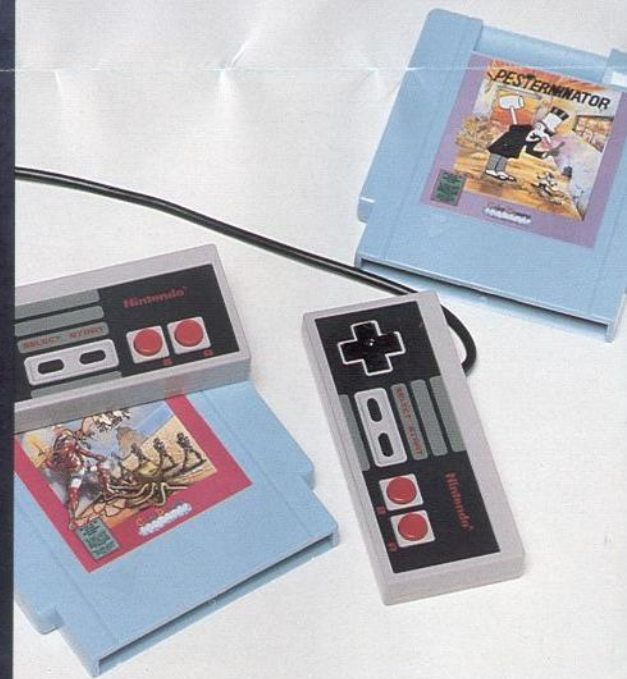

Hellraiser is the first game to use our advanced technology that pushes the NES further than ever before.

Experience the pleasure of 16-bit performance. Experience the pain of Clive Barker's Hellraiser.

Can you locate the strange cubes that open doorways to the darkrealm? Can you solve the puzzle of the Lament Configuration? Pinhead, the Cenobites, and all of Hell know the answer. From the darkness far away laughter echoes.
