April Releases For The MEGA DRIVE
TP Tennis is more than just a tennis game. It has several modes, one which the player can choose from all current players of the game, as well as one where the player can compete with the many golden heroes of the sport, such as John Newcombe, Arthur Ashe, Fred Stolle, Stan Smith and Ken Rosewall. Players both old and new have a detailed list of strengths and weaknesses. In both games there is the option of choosing the court and conditions, along with detailed display as to how the ball is affected by each surface type. There is a level of realism here that does not interfere with gameplay at all.

ATP is a fantastic game of practiced skill and lightning fast reflexes.

**Key Features**

- Photos, professional biography, photo, statistics, strengths and weaknesses for every player.
- Excellent detailed animation, sound effects, including digitised speech and all the players names.
- Easy to control gameplay, makes picking up the game a breeze.
- Several competition modes
- All types of courts and conditions
- Battery backup

**Code:** FATPO01SMC
**Format:** MD
**RRP:** $69.95

**Reviews**

**Hotline** - "Amazing! It's great to play the likes of John Newcombe against Pete Sampras."

**EGM** - "Well worth a look, this is a serious sports sim."

**Sega Pro** - "..This game is challenging and fun at the same time."

Itchy & Scratchy is an interactive version of the cartoon. The player will be Itchy (mouse) moving across a side scrolling map, finding and using weapons, and repeatedly attempting to kill Scratchy across a series of nine themed levels (cats have nine lives). The basic objective of the game is to repeatedly kill Scratchy while surviving numerous and vicious attacks.

Each level will be presented as an episode. Itchy & Scratchy has a humorous, play on word, title screen. The core of each level is the parody of classic cartoon locations.

**KEY FEATURES**

- Nine levels.
- Bonus levels.
- Realistic sound & voices.
- Excellent scrolling animation and characterised sprites.
- Brilliant character interaction.
- A theme story line, very similar to the cartoon.

Meet up with the world's first soft super-hero. Use Jellyboy's metamorphosing skills in order to overcome the many puzzles that lie in wait. Change yourself into all manner of different objects, ranging from a hot air balloon to a hammer and pogo-stick to a submarine. Jellyboy has been brought to life after a freak accident in the usually tranquil Swirly Sweety Factory, & caused a massive power-surge to pass right through a large slab of bright pink jelly. Escaping from the gooey vat, Jellyboy discovered a long corridor with six ornately carved doors and a lift shaft. Outside the lift stood a sturdy-looking attendant who informed Jellyboy that Mr. Swirley would only see somebody if they could retrieve one special item from behind each of the remaining doors. Anyone who could perform such a task would not only be granted an audience with the factory's owner but also their dearest wish. No-one has ever made it through all six doors but using his unusual jelly like skills our super hero just might make it. You must guide our pink friend through each of the worlds as he searches for the special item that will prove he has conquered that area.

**Key Features**

- Find the correct mould and change yourself into one of twenty seven different objects that will help you to solve the numerous puzzles throughout the game.
- Collect the in-game bonuses and discover the secrets of the various point bonuses.
- Each world is themed and contains appropriate nasties for you to battle against.
- Unique squishy graphics and a wonderful squelchy soundtrack make Jellyboy an irresistible game.
- Face up to huge end-of-world guardians that stand before you and the object you are looking for.
- 8 meg

**Reviews**

- **Hotline** - "Weird, but hilariously funny to play"
- **EGM** - "Great for everybody, especially the kids"

You are the world's favourite stone age man, Fred Flinstone. You must use all the skills at your disposal to complete each level and rescue your family and friends from the clutches of the evil Cliff Vandervave, Vice President of Slate & Co. Use Fred's precious bowling ball to strike down those in your way or simply hurl rocks at those intent on stopping you from completing your quest.

**Key Features**

- The only product to capture the truly distinctive look of the blockbusting movie. Displaying images that are familiar to an entire generation.
- Extensive use of the movies characters, locations, music and logos.
- Stunning, cutting edge graphics with outrageous animation sequences which will immerse the player in the cartoon environment.
- Humorous, ridiculous situations make the Flinstones a hysterical romp through Bedrock.
- Over a dozen prehistoric enemies each with a unique attack method in 15 levels of play.

Izzy's Olympic Quest is a 16 Meg side-scrolling 2D platform game for 1 player on the Sega Mega Drive. You control Izzy (Official Mascot of the 1996 Atlanta Olympic games) in his quest to find the five missing rings of the Olympic symbol so you can leave the "World of Torch" and participate in the Big Event. There are 3 levels (2 levels of 3 stages, 1 level of 2 stages) and six bonus stages, accessed when a stage is completed quickly. The game emphasises fun over difficulty, is a fast moving game set in a magical and engaging world and reflects the spirit of the Olympic games, where competing (i.e. playing the game) is as much fun as winning itself.

**Key Features**

- Not your normal Platformer
- The main character is the '96 Olympics official Mascot.
- Not too hard for the younger kids, easy gameplay
- Very good graphics.
- Not a dark or moody game, just good clean fun.

**Reviews**

HOTLINE - "A very enjoyable game."
EGM - "Izzy is a unique gaming character."
SEGA PRO - "Lots of fun to play."

The squirrel with attitude is back! Yes, Mr Nutz has returned in this, one of the most manic platform games ever to appear on the Mega Drive. Have you got what it takes to rid the world of the invaders? The fate of the planet is in your hands. This time it’s the Peanut planet that’s in trouble and instead of little green men causing the trouble, it’s all down to a horde of discontinued chickens. We need a super hero, and fast. You must guide Mr. Nutz through the four continents of the Peanut planet in a desperate bid to stop the interplanetary chickens from taking over. The chicks are no bird-brains and they’ve devised a fiendish plan that will gain them global domination in next to no time. As Mr. Nutz you must ward off the attacks and protect the world’s five major bases from falling into enemy wings.

**Key Features**

- Experience two styles of gameplay. Try your hand at the platform madness and then think hard at the puzzles which appear on the adventure map.
- Search each level for secret rooms and hidden bonuses.
- Battle over four different continents. Can you save Nature World, Underground World, Water World and Inca World?

The world's most unlikely hero is back. Putty is an unassuming blue blob that has the amazing ability to transform himself into nearly any shape. Carrying on from his capers in the award-winning Super Putty, Putty Squad sees our hero returning to rescue MIR putty troopers from the clutches of Napalm, the super combat-cat and his army of G.I. pups. Putty is bouncing back into action and this time he's taking no prisoners! Have you got what it takes to complete all fourteen war zones and rescue those missing putty troopers?

**Key Features**

- Over 54 enormous levels featuring fast, multi-directional, detailed scrolling backgrounds.
- Unique "soft-focus" scrolling parallax.
- Dozens of superbly animated characters including: bazooka-toting Pup soldiers, mortal shell emplacement Pups, grenade throwers, Vicious wizards, flying muscles and hordes of others all designed to harass and hinder your progress.
- Wreak havoc on your enemies as you zoom around the levels in Putty's power pod, dropping deadly nitro-bombs in your wake.

**Reviews**

**HOTLINE** - "A bizarre character, for a bizarre game."

**MEGA** - "This game is seriously strange."

**MEAN MACHINES** - "Stylish and innovative."

TOURNAMENT EDITION

Players unite in the latest NBA Jam session. Choose from any of the 27 NBA Teams, which include three of that team’s NBA Stars: Slam Dunk, Steal and Block with players such as Shaquille O'Neal, James Hardaway and Isaiah Rider. Send the Long 3 Point Bomb with Mark Price, Anfernee Hardaway and BJ Armstrong. Change the playing combinations at each break or change your player if he’s getting tired. Check out the half time stats as each player has their own shot percentage as well as the injury count.

With the added feature of the second options menu, playing against your friends has never been so much fun, and for those who think speed is everything in a game then try the new 5 settings for Juices mode, or the powerup modes for a higher scoring game. This awesome combination of Power and Deadly Accuracy makes up the heart of NBA Jam Tournament Edition and the new added speeds and playing modes make it the most fun anyone could have on court.

KEY FEATURES

- All 27 NBA Teams
- More players on each team
- Even more players to choose from
- Spectacular new dunks
- Extra Options Screen
