ROAD RUNNER

Devil-may-care Road Runner has the fastest feet in the west! He speeds from sand dune to rock to rooftop with a rowdy "Beep! Beep!" — keeping one blink ahead of that desert "bird-ivore", Wile E. Coyote.

Road Runner is tearing up the tracks on a stamp-collecting spree. The only thing he brakes for are piles of delicious bird seed. And the only thing that can stop him is that sly Wile E., cleverly hiding in Acme Boxes. But Road Runner has a few tricks of his own . . .

Jump into Cannons and Catapults for a high-flying fling!

Make Wile E. drop his Stamps. Lure him into bashing into a wall, or get behind him and "Beep! Beep!" (press **Button A**) to scare him. These moves take some talent.

Wile E. Coyote

That crafty Wile E. is just drooling for a Road Runner snack. He's sure he'll catch the speedy bird with one of his souped-up Acme gadgets!

The chase is on! Wile E. can follow the Arrow signposts to find the elusive Road Runner. If he can catch him, he'll be rewarded with an explosion of bonus Acme Stamps!

SCREEN INDICATORS

Be sure to watch the indicators on screen. They tell you how you're doing. Watching them can help you win!

LIVES

This is the number of chances you have to win the game. You lose a Life when your Health Bar runs out. If you lose all your Lives, "Adios, amigo!" Get extra Lives by collecting Road Runner or Wile E. power-ups.

TURBO BOOSTS

Collect these, then press **Button B** (once as Road Runner or twice as Wile E.) for a burst of Turbo speed. Each Turbo Boost is good for one speed burst.

HEALTH BAR

The red line shows how much more damage you can take before you lose a Life. If the line is getting short, find a health power-up fast. As Road Runner, peck a pile of Bird Seed. As Wile E., collect a jar of Vitamin Pills. You will get some or all of your health back.

STAMPS

This shows the number of Stamps you've collected. If you collect 125 Stamps (or more) during the level, you will be whisked off to the Bonus Round when you finish the second act.

CLOCK

You've only got a short time to finish each level. Check the Clock to see how many seconds you have left. If the Clock runs down to zero, you'll lose a Life, and you'll have to start the level over. (Of course, if you have no more Lives left, you're outta there!) Collect more Clock power-ups for extra time.

NOTE: The Difficulty level you're playing at affects your Lives, Health and Clock. As the Difficulty level gets harder, your character starts with fewer Lives, has less time to complete each level, and takes damage more quickly. You can change the Difficulty level on the Options screen.

DESERT LEVELS

RED ROCK RENDEZVOUS

Kick off the chase with a hot pursuit into the sandstone. Prickly cactus are best avoided. As Wile E., watch out for "rope burns."

BUTTES AND LADDERS

It's an up and down climb through a peaceful village. Road Runner finds a surprise in one of the rooms. Wile E. balances on a tightrope (press the **D-Pad** RIGHT/LEFT). Be ready for bombs that can singe both fur and tail feathers!

CHOO CHOO TERRAIN

Ride the rails, jumping between freight cars, tankers and flatcars. Try not to get sidetracked on this tricky "fright" train!

KARL'S BAD CAVERNS

In the mine, Wile E. chisels his way to the elusive bird with Acme jack-hammers. Ride the mine cars and elevators to find your way through the maze. Look out for rolling barrels of dynamite!

GRANITE GULCH

It's night patrol in the desert. Take a step in the wrong direction, and you're in for an eyeball-popping crash in the chasm!

ACME FACTORY

There's no time to catch your breath in this final duel on the Acme loading docks! Beware of forklifts bearing bombs. Whoever wins the showdown gets a great reward! "That's all, folks!"

BONUS ROUNDS

Each Desert Level has two acts. If you collect 125 Stamps (or more) during both acts combined, you'll get to play a Bonus Round.

Each Bonus Round is different. Use the tricks you learned in the Desert Level to keep going and collect loads of Turbo Boosts, Lives, Clocks and other power-ups.

Don't forget: the Bonus Rounds are timed, too.

STAMP-COLLECTING HINTS

- ★ Use Trampolines, Cannons and Catapults to reach Stamps way up high.
- ★ As Road Runner, get extra Stamps from Wile E.:
 - Try using your "Beep! Beep!" (**Button A**) to scare Wile E. from behind and make him drop his Stamps.
 - Run over Wile E. with a Turbo Burst. When he flings his stamps in the air, grab 'em.
 - Let Wile E. get close, then jump! Sometimes he'll bash into an obstacle in an explosion of Stamps!
- ★ As Coyote, catch Road Runner to make him drop a flurry of Stamps. Then quickly gather 'em up.
