

OVER THE TOP

Over the Top

HAVE YOU GOT THE POWER?

Over the Top is a traditional arm wrestling game that has very interesting and exclusive features including an innovative clutch motor mechanism and smart-logic safety system.

Players get to choose their preferred opponent matching their own strength. The natural movement of the mechanical arm gives the feel of a human arm to the player. The game is operator friendly and is very easy to maintain. The whole cabinet is made from reinforced steel construction making it very durable. The game is also equipped with ticket payout feature.
