

# SEGA MASTER SYSTEM II

What's a boy to do if he don't have  
a SEGA MASTER SYSTEM II ?

1 He could hang with his mates at the video game

check out how fish handle soluble Aspirin.

1 Or bet  
mum -

Or practise his aim with peas on his sister...

Y still, persuade his  
to buy a SEGA

If all else fails, he could  
always call grandma.

## Sega Master System II

The Sega Master System II is the best value and performance of any game console on the market.

- Sleek new design
- Alex Kidd in Miracle World - Built-in game
- One control pad included with slot for second joystick built-in
- Compatible with Sega Master System software (except 3D games)
- Sega Master System II comes complete with: 1 High Speed Controller, 1 AC Power Adaptor, 1 RF Switch Box

## Sega Peripherals

### • Light Phaser

The Sega Light Phaser can be used on fast action games like Operation Wolf, Rambo II, Shooting Gallery and Wanted. Shoot 'em Up action from six feet away brings yet another

brilliant new dimension to the exciting Master System II range.

### • Control Stick

For professional big stick arcade action, we recommend the Sega Control Stick. Within pinpoint accuracy and two separate fire buttons you get the feel of the coin-op controllers. Large arcade style hand grip and extra long lead enable professional game players to

experience fast accurate response on all their favourite Sega games.

• **Control Pad**  
Replacement control pad available

• **Rapid Fire Unit**  
For awesome turbo fire

(SEE BACK PAGE FOR THE SEGA GAME DIRECTORY)

## Shadow of the Beast

In a post-apocalyptic world you are the Beast, once human but perverted by the evil Mages of Maletoth and the Beast Lord. Breaking free from their control you are on a mission of revenge in this exciting adventure. So real - you can almost taste knuckle!

## Populous

This is your chance to play God and have your own world to shape. Create a world in a week and then destroy it in a heartbeat! Conquer 5000 hostile worlds! Unleash floods, volcanos, swamps and earthquakes! All this is possible in this massively popular game.

## Sonic the Hedgehog

Bust the video game speed barrier wide open with Sonic the Hedgehog. Blaze by in a blur using the super Sonic Spin Attack. Plummet down tunnels and spin through space. Bounce around 'til you're dizzy in a hedgehog pinball machine.

You've never seen anything like it!

## Hang On

Neck-breaking speeds, tight curves and world-class competition make this the most exciting motorcycle race around! Hop aboard your supercycle and test your skills against the top riders on earth.

## Super Monaco GP

Super Monaco's GP's World Championship sends you and your pit crew on a 16-race international circuit. Burn rubber with the world's best in a piston-pounding test of speed, road knowledge and endurance.

## Ghouls 'n Ghosts

The evil and evasive Loki has once again pillaged the beautiful, peaceful kingdom of Lexet and plagued the citizens with paralysing fear. You are Sir Arthur and must avenge your village and rescue the beautiful Princess Tamara. Are you up to the challenge?

## Mercs

You are a Merc, a professional mercenary, a soldier of fortune. You have been paid to use your awesome fighting skills to rescue the former President of the United States from the hands of terrorists. Great graphics compliment this action packed arcade style game.

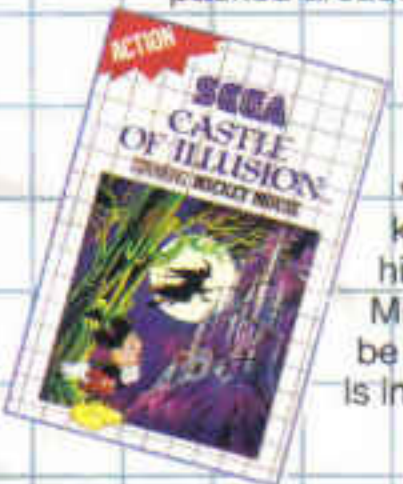

## G-LOC

Vigilante forces have raided government military installations and "confiscated" tanks, planes and even warships! Pilot your G-LOC fighter at supersonic speeds, dodge enemy flak and destroy targets with your heat-seeker missiles. It's up to you to defeat the guerillas!

## Castle of Illusion

You are Mickey Mouse on the trail of wicked witch Mizrabel who has kidnapped Minnie. There are seven gems hidden in the fantastic chambers of Mizrabel's Castle of Illusion and they must be found and used to save Minnie. Her life is in your hands!

## Asterix

Everyone's favourite Gallic comic character has made it into the Master System! Play either Asterix or Obelix on a quest to rescue Getafix, the village Druid, whose magic potion has kept the village from being conquered by Caesar. Asterix must save his village... again!

## Ms Pac-Man

A long awaited companion to the smash-hit game Pac-Man, this one sees Pac's very liberated girl-friend trying to shake those pesky ghosts while eating as many Power Pills as she can. The two player option sees the couple chasing around the mazes together.
