

Empire: Total War™ – The Warpath Campaign
The official Empire: Total War™ Expansion

This Downloadable Content requires the base game Empire: Total War™ in order to play.

The Warpath Campaign Expansion is only available through Steam. Once you've purchased the content, you will unlock the new Warpath Campaign and all 5 new American Indian factions. These factions can be played in single player and multiplayer games.

A new detailed North American Campaign Map expands the Empire: Total War experience, with 5 brand new American Indian factions, new units and technologies. Experience battles in the new Warpath Campaign and lead one of the 5 new factions in an epic war to defend your lands and drive out the invaders. Or take these units and their unique strengths into multiplayer battles.

Key features

5 New Playable Factions

Play through the new Warpath Campaign or in multiplayer as one of 5 new American Indian factions in Empire: Total War, including the Iroquois, Huron, Plains, Pueblo and Cherokee nations.

Expanded North American Territories

A new, more detailed North American Campaign Map featuring new regions and a new start date.

Shaman and Scout Agents

Two new agent types - Infiltrate enemy territory with the new Shaman unit and sabotage the opposition with the cunning Scout.

New Tribal Technologies

18 new tribal technologies including Spirit Medicine, the Call of the Wild and Dreamwalking creating a brand new tribal technology tree.

New Objectives

New winning objectives for each of the playable factions.
