SEGA ROSSO

© SEGA/ROSSO/SEGA,2002

**Race to the top of the mountain ahead of your rival.**

# INITIAL D

**Initial D recreates the adventures of the original Japanese comic strip**

- **Compete with your rival on public roads to become the quickest and coolest driver**
- **The addition of the revolutionary Card Reader System encourages players to come back and play time and time again.**
- **Players pick their favourite character each with their their own unique driving abilities and skills**
- **Players get a choice of basic cars. After each race, players can earn points based on their results. They can then upgrade and tune their car.**
- **Internet Ranking. In Time Attack mode a record of the players performance can be uploaded onto the internet for a world ranking.**

**TUNE your car to the MAX**

## Three Different Game Modes and Four Different Mountain Courses

### Story Mode:

Compete with your computer rival to be the legendary fastest driver on the public road

### Time Attack Mode:

Player chooses a course without any rival car and competes for the fastest lap time.

### Link Play:

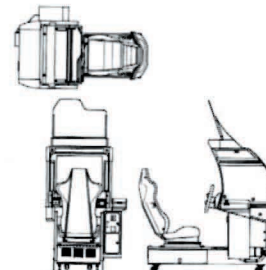

Maximum of 2 players can be linked in a battle for road supremacy

**There are 33 licensed tuning parts manufacturers to allow the player to create their own unique car.**

NAOMI™2

## CARD SYSTEM

The player can record and save their battle status on a card allowing players to continue playing from the point that they left. The cards can record information on the "Model of Car", "Competition Points Earned", "Tuned Parts" and "Match Records"
