

Walt Disney World Quest: Magical Racing Tour

Title: Walt Disney World Quest: Magical Racing Tour
Developer: Crystal Dynamics
Format: Dreamcast
Release date: Q2 2000

Overview

Walt Disney World Quest: Magical Racing Tour is an exhilarating multi-player racing adventure that brings players back into the Walt Disney World experience as Jiminy Cricket, Chip & Dale, and other all-new Disney Characters. The game features eight authentic Disney tracks based on popular Walt Disney World attractions including: Pirates of the Caribbean, Haunted Mansion and Space Mountain. Multiplayer features include a 2-player split screen racing mode (4-player on Dreamcast) and Disney Arena battles.

Features

An engaging mutli-player racing game based in the magical kingdom of Walt Disney World.

2 player competitive split screen racing (4 player on Dreamcast)

Beautiful 3D tracks based on popular Walt Disney World attractions including: Jungle Cruise, Haunted Mansion, Space Mountain, Big Thunder Mountain Railroad, Pirates of the Caribbean, Countdown to Extinction, Typhoon Lagoon and Blizzard Beach.

Eight playable Disney characters including Jiminy Cricket, Chip and Dale, and five newly created characters. There are also hidden characters. Each character has different attributes like heart stamina, luck etc. They also have differences in terms of top speed, turning and acceleration.

More than just racing, you must recover the lost pieces to a fireworks machine to help make sure that the fireworks show goes on in time.

Fun vehicle mechanics – including power-sliding and turbo jumps.

Over-the-top character animations.

Competitive interaction between racers provides addictive risk/reward gameplay

Various items for the player to pick up and collect – Power Ups, Weapons and Collectibles

Disney Match arcade mode: 2 player head-to-head arena competitions.

A unique licence that will appeal strongly to the target audience.
