

Love and Berry are just like other normal girls who love to dress up and dance, except they are Magical Princesses! With a little magic, and the help of the player, these girls get dressed in a flash!

play to the rhythm

Players scan their Fashion Magic Cards to match the scene, then take centerstage for a dance off. Push the button in rhythm to the tambourine. More rhythm means more points.

4 types of Fashion magic cards

The four types of Fashion Magic Cards allow Love and Berry to dress up and change their outfit in seconds. There are hair and makeup, footwear, and special item cards that help the girls dress for the scene. More cards means more options!

Love and Berry are best friends, but rivals in fashion at the same time. They always go out together, but have to look their best. Try to help them stand out at the party.
