Get Ready to Rock and Roll in a Dodge Viper, Porsche, Ferrari F40 or McLaren F1!

Sega Super GT Twin is cruising your way with the fastest and smoothest game ever!

- Utilizes state-of-the-art Model 3 CG board!
- Delivers road-burning action at 1 million polygons per second and 60 frames per second!
- Ultra-realistic feedback steering system!
- Explosive crashes and adrenaline-filled gameplay!
- Features high powered four speed stick shift for tire-squealing racing!
- Multi-speaker sound system delivers music and sound effects from dash-board and seat speakers!
- Developed by the famous AM2 team, creators of Daytona USA, the Virtua Fighter series and the Virtua Cop series.

Sega Super GT Auto Performance

Each car is unique, with individual strengths and capabilities. Combined with four different courses, there's a new racing challenge every time!

DODGE VIPER

For the aggressive driver! This car has excellent balance and good speed, making it the best vehicle for bumping and grinding!

PORSCHE

Excellent control! Hugs the road with awesome stability. Best car for beginners.

McLAREN F1

Made for speed! It's the fastest car, and best for an expert player.

FERRARI F40

Overall performer! The Ferrari has the best combination of speed and control. It's a good car for both beginners and experts.
