Screwball

NO TIME TO SCREW AROUND!

ICE's Screwball is a fast paced redemption game that needs no explanation to play. Players spin the paddle controller with the aim of getting all 16 balls into all the available holes within the time limit.

Because of it's 'just one more go' appeal and frenzied gameplay, Screwball draws a crowd like no other game. Even with its small footprint, Screwball is a standout centrepiece redemption game perfect for any FEC with its beautiful domed cabinet design, bold artwork and exhilarating sound effects!
