**Derby Owners Club-Horseshoe** brings you all the great features and benefits of its bigger sibling in a compact size that fits into just about any location. The innovative cabinet design allows up to four players to race simultaneously while creating an atmosphere that promotes friendly competition, social interaction, and incredible repeat play.

**If you thought Derby Owners Club World Edition was too big for your location... Think again.**

Derby Owners Club – Horseshoe takes up just 4 square meters.

The cabinet breaks down to a size that will fit through a normal single door allowing access to just about any location.

## DERBY OWNERS CLUB WORLD EDITION

From bowling sites to sports bars, arcades to FECs, cruise ships to casinos and more, Derby Owners Club - Horseshoe lets you bring one of the most innovative games in a generation to players everywhere.

**Good things really do come in small packages.**

Would you buy a video game that:

Increases the earnings of the entire location rather than just move money from one cabinet to another?

Increases your food and beverage sales?

Increases the number of per-week visits by your customers?

Increases the amount of money your customers spend per-visit?

Increases your customers per-visit length of stay?

Increases the earnings of other machines in the location as a spin off?
