## DELUXE

## UNIVERSAL CABINET

### THE BIRTH OF NAOMI

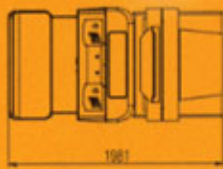

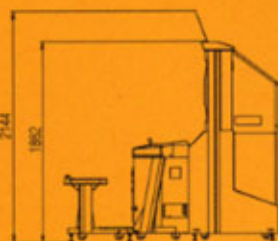

Since our establishment, Sega's objective has been to "create entertainment for the enjoyment of all".

The "NAOMI Deluxe Universal Cabinet" has been developed specifically for the European market to meet the constantly changing needs of the customer and the demands of operators and licensees who must strive to keep pace with the game development environment.

### FEATURES

- Accepts all NAOMI joystick/button games.
- Large 38" High Resolution CRT monitor gives the player the same visual perspective as a 50" PTV with the added advantage of no "Screen Burn"
- Universal Cabinet with artwork configuration to match all NAOMI games thus allowing the operator to change the game easily.
- Sleek, modern, metal design styling to compliment the existing highly popular NAOMI Universal Upright Cabinet, allowing operators to reinvigorate the image of their operations.
- High quality speakers directed towards the player gives the feeling of actually being part of the game.
- Easy to use universal player controls.
- Easy access to maintenance areas.
- Sturdy long lasting cabinet design.
