

FOOTBALL MANAGER™ HANDHELD 2012

THE GREATEST JOB ON EARTH IS YOURS

Football Manager Handheld™ 2012 is designed specifically for iOS devices and allows you to take control of the greatest job on earth wherever you are and whenever you want. You decide who plays and who sits on the bench, you're in total control of tactics and substitutions as you follow the match live. YOU make the difference!

This year, *as well as a host of new features*, there is a completely new way of playing Football Manager! The brand new Challenge Mode, allows you to play short-term scenarios:

CHALLENGES

- **The Saviour Cometh** - Your team are in a relegation battle half way through the season. Can you take the reins and guide them to safety?
- **Injury Crisis** - Your team is swamped with injuries and most of your first team are on the treatment table. Can you keep the results coming in?
- **Unrest at home** - Your appointment as manager has left some senior players unhappy. How will you handle the egos? Can you avoid the sack?
- **The Invincibles** - You've gone on a long run without losing. Can you cement your place in history by going the full season unbeaten?

(All of these challenges can be played using any club in the game except for "The Saviour Cometh", which is playable with any club in a league with relegation.)

WHAT ELSE IS NEW?

- **Updated Leagues, Competitions & Transfers** - for the 2011/12 season, plus the addition of the Corbett Sports Welsh Premier League, and Blue Square Bet North & South.
- **Fully customisable tactics** - Use drag and drop to create your own unique formations and perfect your tactics.
- **Apple TV Mirror Support** - Playable in HD on a HD TV using the Apple TV Mirroring system for iPad 2 & iPhone 4s and a new generation Apple TV.
- **Star Players** - Helps you to easily identify the three key players in other squads.
- **Social Networking** - Send updates direct to friends directly from the game via Twitter and, for the first time, Facebook
- **Plus**, improved user interface, improved match view, more media interaction, shareable shortlists and search filters and lots more!

The Saviour Cometh

1 of 4

The club has turned to you in their darkest hour. The midpoint of the season has passed and the team are mired in a relegation battle. Can you guide them to safety before the end of the season?

The aim of this challenge is to avoid being relegated from the division. This scenario restricts you to managing only teams from divisions with relegation involved.
