

# THE EARTH DEFEND

**REALTEC**

Space creatures from another Galaxy have invaded the Earth and waged a war with the troops of the United Nations. Despite great effort, we lost the war and the Earth has been taken over by the evil aliens, which have seized the Earth's power. To save the Earth from certain doom we must get back the power of the Earth. The United Nations urged all countries to unite together and fight back. We have to protect our planet!

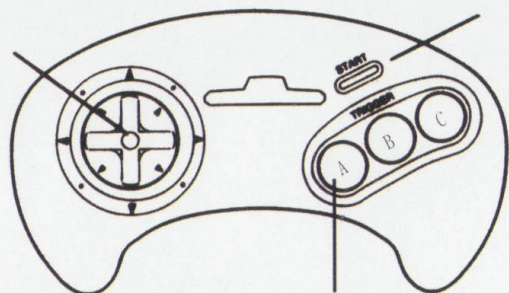

Therefore, the only hope of the Earth was for all of the scientific geniuses of the Earth to work together. After many months in a hidden location, they created the most powerful secret weapon ever known – *The Phoenix Spitfire*!! Now, it is your duty to climb into Phoenix Spitfire's cockpit and courageously come to the ***Earth's Defense!!!***
