MASTER OF BLOCKS

*mad peat*

### WARNINGS - read before using your game system!

Anyone who wishes to use this game software should read the manual for the game and the Dreamcast™ console before playing. Minors should read this manual together with a responsible adult before use.

### HEALTH AND EPILEPSY WARNING

Some individuals are prone to epileptic seizures or loss of consciousness when exposed to flashing lights or light patterns in everyday life, such as television images or video games. These seizures or loss of consciousness may occur even if said person has never had an epileptic seizure. If you or someone related to you has had epilepsy-related symptoms when exposed to flashing lights, consult a doctor before using this game software or its compatible console.

If anyone playing the game experiences symptoms such as dizziness, eye/muscle twitches, loss of consciousness, etc, **stop playing the game and consult a physician before playing again.**

### LEGAL

This game is compatible only with the Dreamcast™ system. Unauthorized copying, reproduction, rental, public performance or distribution of by ANY digital or analog means is a violation of applicable laws.

Irides (pronounced ear-uh-dess) challenges you to become the Master of Blocks! To do so, you will need to master Power Blocks for use throughout the game. Be careful, some can harm you! Unless noted, Power Blocks use their power when they are eliminated from the playfield. The following Power Blocks can be found in Irides:

#### Power Blocks found throughout the game:

- ☉ Bomb - Destroys surrounding blocks
- Changing - This sneaky block likes to change colors while in play
- ? Colorless - This block has no color until a combo is created nearby
- ▼ Drill - Destroys a few blocks beneath it
- ⊙ Elimicolor - Eliminates all of the same color blocks touching this block
- Elimiline - Eliminates all blocks in the row it occupies
- ▲ Heavy - When falling, this block will immediately crush the block beneath it
- ☁ Rain - Causes three additional blocks to fall onto the playfield
- ⊖ Solid - These blocks are weightless and hold their place wherever they stop falling
- ⌚ Time - Adds 10 seconds to your play clock
- 2 Tough - Blocks (numbered 2-5) must be eliminated X number times

#### Multiplayer only Power Blocks:

- ⌚ 42 - Converts all colorless blocks into colored blocks
- ✦ Bonus - Awards you with one offensive / defensive point
- ☔ Downpour - Drops colorless blocks on all of your opponents
- ⚡ Drizzle - Drops colorless blocks on one random opponent
- ↕ Race - Increases gravity until it is destroyed
- ✖ SloMo - Decreases your gravity
- ⚡ Speed - Increases gravity for one random opponent
- ⚡ Turbo - Increases gravity for all opponents

#### Mystery Blocks:

- ✖ Only true Masters of Blocks can learn what incredible power this block possesses!

## Online Leaderboards

Think you can eliminate the most blocks in the Irides universe? Generate your code in Irides and visit the Irides online web site at [www.iridesgame.com](http://www.iridesgame.com) to compare your scores to everyone in all known galaxies... and use those points to unlock special online only extras for Irides: Master of Blocks!
