Recreational Software Cartridges

Product Code	Description	Suggested Retail	Available
SG1001	Borderline: Jeep pushes through a rough road attacking and crushing the enemy. After destroying fortresses, attack the enemy headquarters. A thrilling action game.	\$39.95	Ex stock
1002	Safari Hunting: Go deep into the jungle and capture snakes, gorillas, lions and elephants with your tranquilliser gun. Watch out as the anaesthesia wears off, and do not run out of fuel.	\$39.95	Ex stock
SG1003	N-Sub: Torpedo the enemy's ships. Avoid attack from missiles, torpedos and depth charges. Counterattack and sink the enemy's ships.	\$39.95	Ex stock
SG1005	Champion Golf: Enjoy a golf day with your own caddie. Hit the ball with the appropriate club, play the fairways, roughs, greens, ponds and bunker areas. A 'Birdie', 'Eagle', 'Hole in One', or 'Albatross' will make you feel like a champion.	\$39.95	Ex stock
SG1007	Congo Bongo: The hunter climbs treacherous cliffs chasing the gorilla. Watch out for falling coconuts and pesky monkeys. Catch the gorilla and find a new hunting ground.	\$39.95	Ex stock
SG1008	Yamato/Battleship: Avoid enemy attack from Torpedos and missiles. Aim at the enemy and fire the guns. Can 'Yamato' survive this fierce battle?	\$39.95	Ex stock
SG1009	Champion Tennis: Serve, receive and smash. Attack rival's weak point. Use all corners of the court. This is a highly enjoyable sports game playing the computer champion, or two players competing against each other.	\$39.95	Ex stock
SG1010	Star Jacker: A space game in which space troops fight the invading 'Dester' army. Lead the space troops to the carrier passing through the various mystery zones.	\$39.95	Ex stock
SG1011	Champion Baseball: Enjoy all kinds of baseball plays against the computer team as in an actual game. The game also allows two players to compete against each other's team.	\$39.95	Ex stock

Recreational Software Cartridges

Product Code	Description	Suggested Retail	Available
SG1012	Sindbad Mystery: The boy SINDBAD comes to the island to find the hidden treasure. He follows the clues in the Treasure Map. He must destroy the monsters that challenge him.	\$39.95	Ex stock
SG1015	Orguss: Skilful control of the all-powerful "Orgroid" will repel the enemy beam guns. Turn "Orgroid" into the "Flier" as you move to the Space Time Vibrating Weapon. You have only 2½ minutes to accomplish your mission!	\$39.95	Ex stock ★
SG1017	Monaco GP: Race your formula car through the street, jumping and manoeuvring. Keep an eye out for ambulances, signposts and night-time! Slip zones, sharp curves and narrow bridges challenge your driving skills.	\$39.95	Ex stock
SG1018	Sega Flipper: A catchy flipper sound accompanies this computer pinball game. Take aim and shoot your way around the playfield in search of the proverbial "high score".	\$39.95	Ex stock
SG1019	Pop Flamer: 'Pop Flamer' is a mouse with a flame-thrower. Break balloons and supply fuel for the flame-thrower while eliminating the Monsters and the Frog obstructing your route.	\$39.95	Ex stock
SG1020	PACAR: PACAR runs through 3-dimensional routes at varying speeds. Delete the Dots, avoid the enemy cars. Pass through the Special Dots, and become invincible and destroy the enemy cars.	\$39.95	Ex stock
SG1028	Exerion: Space war game - Fighter Ex races to attack enemy groups in six dangerous worlds. Shoot down the enemy utilising the Dual Beam or the Single Beam attack.	\$39.95	Ex stock
SG1032	Safari Race: An almost 3-dimensional driving challenge as you race along the jungle roads. You have petrol stops to make and only 4 spare tyres! Watch out for competing drivers. Avoid the wild animals that stray in front of you.	\$39.95	Ex stock ★
