A vibrant, stylized illustration of a whimsical landscape. In the center, a young girl with red hair in pigtails, wearing a blue dress with white polka dots and a white collar, is running. To her left is a white rabbit, and to her right is a black cat with glowing yellow eyes. The background features a large, glowing blue moon, a dark bird flying in the sky, and a green hill with a small figure on top. The sky is filled with soft, colorful clouds. The overall style is reminiscent of classic Disney animation.
