AiAi and friends come to the Nintendo Wii! An all-action extravaganza of unique new puzzles and madcap multiplayer gameplay, Super Monkey Ball Banana Blitz takes the ground-breaking Nintendo Wii Remote and shows the world exactly what it can do!

Get stuck into scores of new puzzle levels and a barrel-load of thrilling new party games, all specifically designed to take spectacular advantage of the pioneering Wii Remote.

One for you and every last one of your friends, Super Monkey Ball Banana Blitz takes the classic, fan-favourite Monkey Ball gameplay and adds a whole new world of fun.

Features

- Party Games: Scores of party games have been creatively designed to take advantage of the Nintendo Wii remote.
- Puzzle Levels: A huge number of puzzle levels have been designed for players of all standards. Easy to learn but difficult to master, these puzzle levels bring the classic Super Monkey Ball gameplay to the Nintendo Wii for the first time.
- Boss Levels: After completing puzzle levels the game heats up with some serious boss battles. Each of the bosses will challenge you to find their weakness to defeat them.
- Monkey Jump: For the first time in the Super Monkey Ball universe AiAi and his friends will be able to jump using an upward flick motion with the Wii Remote.
