# VIRTUA NBA

Virtua NBA - Sega brings you the most awesome action packed Basketball game ever, powered by the most revolutionary NAOMI system

Blindingly fast and realistic 3-D player movements from the famous NBA circuit. The Naomi powered graphics bring ultimate realism to the game. Watch the players run and dribble with the ball and their reflection in the court floor follows. As the ball bounces you hear the bounce with precision accuracy.

Choose your favourite Superstar team from a choice of 29 teams of either of the two Eastern or Western Conferences and 4 Divisions Pacific Central, Mid West or Atlantic NBA league. Guide your team through 4 rounds of Championship Basketball and into the Grand Final. With an easy to use control system you can develop your techniques to **Steal, Pass, Dribble, and Slam-Dunk** the ball to win.

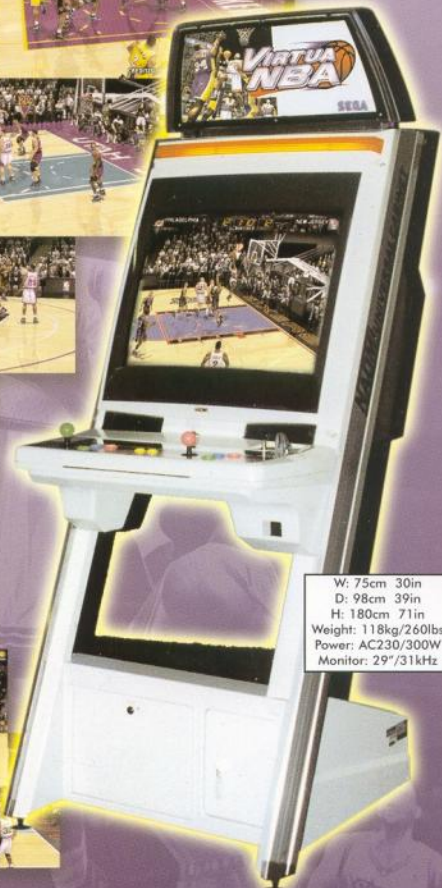

*You await the tip off of the ball from the umpire; the opposition team player and yours jump high to claim the ball. They get there first and make a break for your half of the court, you manage to steal the ball and pass it on to your teammate up court. He dribbles past the defence, takes aim and shoots for the net. The ball bounces off the backboard and spins around the rim. The crowd stand to their feet in anticipation, but the ball doesn't go in. You get the ball again and jump up high to the ring and slam-dunk the ball into the net. A roar of appreciation echoes around the stadium and the air horn rings aloud. Watch that final moment of glory again and again with the multi-view action replay*
