

GOLDENEYE

SEGA PINBALL'S GOT A NEW GAME WORTH IT'S WEIGHT IN GOLD.

TOP GROSSING
BOND FILM OF
ALL TIME!

Nobody does action like James Bond. 007 has teamed up with Sega Pinball to bring you a game that will have your pulse racing and your palms sweating.

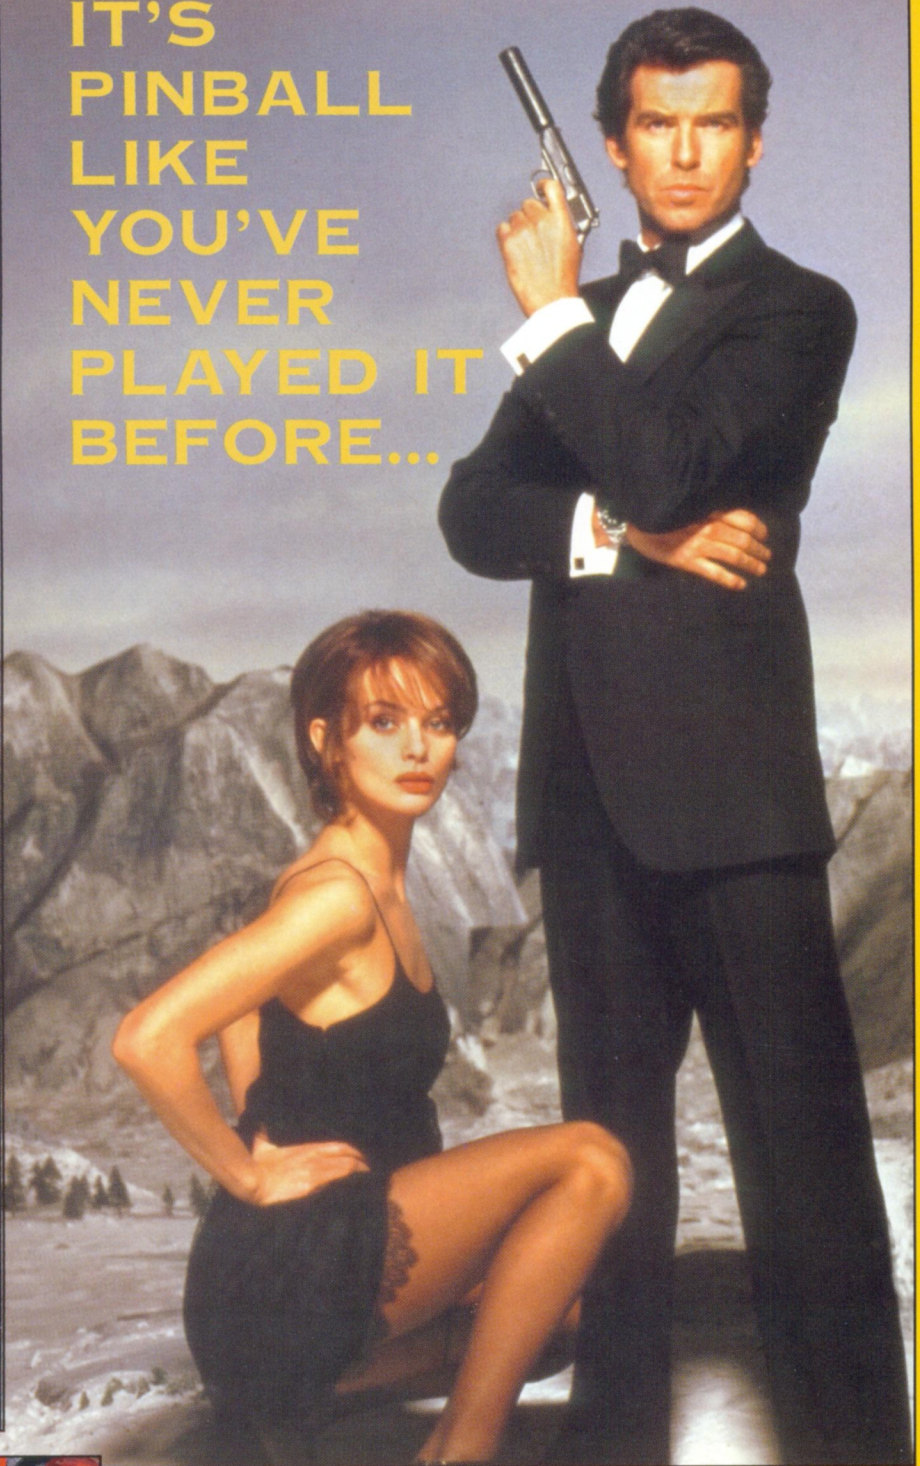

Loaded with features you'll swear were created in Q's lab, "James Bond, Golden Eye, The Pinball" has got what it takes.

IT'S
PINBALL
LIKE
YOU'VE
NEVER
PLAYED IT
BEFORE...

The magnet save gives you a short reprieve from death! You've got to hit the Eject or Die target before the timer runs out to continue play! Remember, a license to kill is also a license to die!

A ball capturing satellite is scanning the playfield for your pinball. Enter its range and watch your pinball get drawn in! Hit the disappearing ramp before it drops back into the playfield and leaves you with no escape!

These, along with features too numerous to mention, make "James Bond, Golden Eye, The Pinball" a sure fire hit in any location!

Be warned, after playing this game you may develop an uncanny desire for a Brioni tuxedo and a martini...shaken, not stirred.
