

RHYTHM THIEF™

& the Paris Caper

Key Features

About the Game

Rhythm Thief is the unique rhythm-based adventure game that will test players' timing, quickness and style.

Players play as Raphael, the Rhythm Thief, as he uncovers the mystery of his father's disappearance! Using a variety of rhythm games, players will guide Raphael as he gathers clues and thwarts his enemies.

Players will tap to the beat on the Champs-Élysées, sneak past guards in The Louvre, and explore the City of Lights in an all-new adventure!

Product Specifications
