STARPORT.

A VIRTUAL THEME PARK!

Through the realm of movies and virtual reality, United Artists Theatre Circuit, Inc. has created an exciting entertainment adventure for the entire family to enjoy.

Starport® is an entertainment destination that brings the newest in entertainment technologies together under one roof. Anchored by a multiplex motion picture theatre, Starport delivers the latest in high-tech virtual reality, motion simulation attractions, and specialty food items.

Starport is the first to integrate entertainment technology industry leaders like Showscan Entertainment, Sega GameWorks L.L.C., Virtual World Entertainment Inc., Virtuality, and Evans and Sutherland with a state-of-the-art movie theatre creating a virtual theme park.

The first Starport opened in September, 1995, in Indianapolis. Other locations include: Austin, Denver and Albuquerque.

United Artists Theatre Circuit, Inc. is a worldwide leader in exhibition of motion pictures.

STARPORT

ATTRACTIONS

MOVIE THEATRE

Presenting first-run movies on 12 screens.

SEGA GAMEWORKS SEGA CITY™

Features the latest in cutting-edge interactive amusement technology. Sega players can experience the thrills of between 65-75 games including the multi-player driving game, "Daytona Special."

SHOWSCAN'S THE EDGE™

A 24-seat motion simulation theatre with hydraulically controlled seats. Race a dune buggy across the desert, hang on tight in an out-of-control mining car, or carom through a pinball machine.

EVANS & SUTHERLAND'S VIRTUAL GLIDER™

A hang-gliding experience without the risk! Thrill seekers can experience virtual hang-gliding over the Grand Canyon or from the top of a 150 story skyscraper into a futuristic Los Angeles skyline in the year 2025.

VIRTUALITY®

Head-mounted virtual reality encounters. Players enjoy complete immersion into a virtual world with real-time

playing action, texture-mapping, three-dimensional color, and 32-channel digital sound. Players don't watch the show - they are the show.

Q-ZAR

Get inside the game with interactive laser tag. Players carry real lasers with either red or green beams and enter a large arena filled with pulsating light and pounding music. Players on both teams score points by tagging opposing team members in this game that is a high-tech combination of Capture the Flag, Hide and Seek, and Tag.

CONCESSIONS

Traditional movie fare as well as Sbarro's Pizza, Pretzelmaker Pretzels, Mrs. Fields Nibblers, Dreyer's Grand Soft Ice Cream, and Isee.
