A stylized map of the United States is formed by a complex assembly of mechanical parts, including gears, pistons, and bolts. The map is primarily black and grey, with several large, bright red components that resemble pistons or valves. Small green lights are scattered throughout the mechanical structure. The map is set against a black background with a few small blue stars. The text "M. U. S. H. A." is overlaid on the map in a white, pixelated font.
