"Rotation is our game"

Available In Four Models:

Angle 19
Angle 25
Angle Table
Angle Countertop

Same Drawer Fits All Models

The "Angle System" was designed with fast and easy game rotation in mind.

A new kit can be installed in the angle drawer in 15 or 20 minutes. The drawer comes complete with a board holder, predrilled control panel and plexi, and a Jamma harness with slip on connectors for one and two joystick games.

More importantly, the "Angle System" has quick releases for game drawer/marquee and easy rotation and adjustment of the monitor. Thus, game drawer changes are made at the location in a matter of minutes.

We introduced the original drawer system concept to the industry in 1984 and our four years of experience shows in the design and quality of the new "Angle System" cabinet. Compare the "Angle System" with companies who are only now copying us with little attention to details. We believe you will go with the innovator, not the imitator.
