The background features a digital illustration of a night landscape. In the upper portion, there are dark, jagged mountain peaks under a deep blue sky filled with white, wispy clouds and numerous small white stars. Below the mountains, there is a dense layer of green, leafy plants or bushes. The foreground shows a dark, textured ground surface with some lighter green patches, possibly representing grass or small plants. The overall color palette is dominated by blues, greens, and blacks, creating a serene and atmospheric night scene.
