Sega is proud to present a stellar third-party lineup for calendar 2000. Even better, it's only a fraction of what you'll see in the future from our publishing partners. From shooters to platformers to online multiplayer,

Sega's third-party titles are taking gamers where gaming is going.

BUST A MOVE 4

AKkaim

Yo! BUST-A-MOVE'S clock is winding down and you got mega balls to break before they reach the Line: zap, wham, watch 'em blow—you could get into this in a big way!

- Cool graphics and animations
- Tons of gameboard configs, or make up your own
- 8 tough programmed opponents
- Four high-energy game modes

BUST A MOVE 4

ECW ANARCHY RULZ

AKkaim

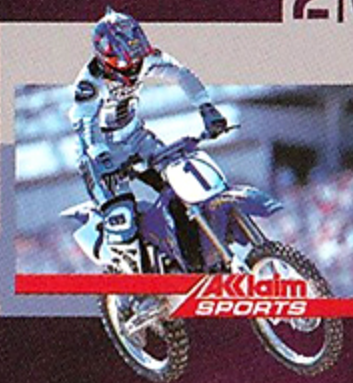

Who needs brains when brawn makes right in ECW: Anarchy Rulz! Take a bone-crunchin' leap from the top turnbuckle into the toughest wrestling federation on the planet. The sport's top superstars will be waiting.

- Simplified controls for first-time players, delicate souls that they are!
- New Hardcore match types including the first ever TABLE MATCH!
- An up-to-date roster of the most brutal wrestlers and managers, even Paul Heyman!
- New Career Mode with Stables, Challenges—Run-Ins and more—plus you can now defend your titles from all challengers!

ANARCHY RULZ

SUPERCROSS 2000

AKkaim

JEREMY McGRATH SUPERCROSS 2000

Man, you look good with mud in your teeth. Rev-rave into the knee-dragging world of Championship Motocross, with Jeremy "Showtime" McGrath's Supercross 2000! Climb on as Supercross champ Jeremy, or as other top-shelf riders: John Dowd, Greg Albertyn or the rookie phenom Travis Pastrana. Looks like it's Big Air time, boys!

- 16 stadium and motocross tracks
- 4-rider multplay mode
- Complete customization for different track, bike and championship options
- Dynamic weather conditions effect track terrain and bike handling

SOUTH PARK RALLY

AKkaim

It's Comedy Central's South Park crew, tooling on some sweet rides that brake like the wind! Cartman, Stan, Kyle, Kenny and the rest duel exhaust on the streets of South Park in vehicles and situations that could only exist in the dementia of time and space that is South Park. Gentlemen, Fart Your Engines!

- Choose from courses like South Park Forest, Big Gay Al's Big Gay Animal Sanctuary, and a Sega-exclusive Carnival level
- Sick gadgets (the Mexican Staring Frog, rats, chocolate salty balls)
- Hundreds of wacked sound-bites created specifically by South Park's creators, Matt Stone and Trey Parker

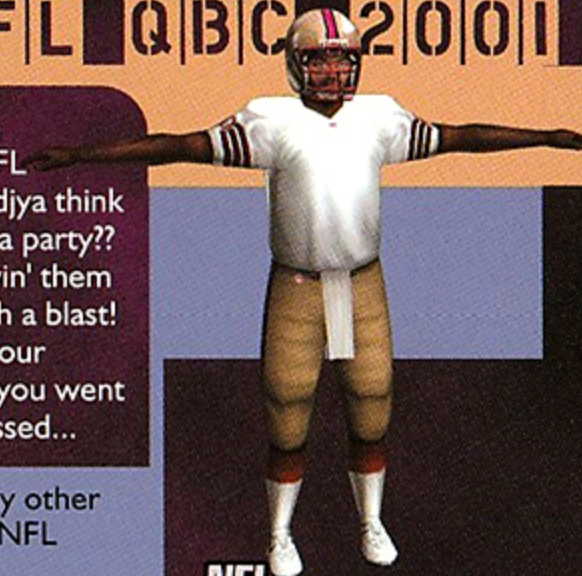

SOUTH PARK RALLY

AKkaim

NFL QUARTERBACK CLUB 2001

It's virtual cup-check time, Crazy Legs—we mean NFL Quarterback Club 2001; 'dija think we were talkin' about a tea party?? It's first and cool, and movin' them chains has never been such a blast! Oh, and uh, don't forget your helmet like before, when you went and got yourself all concussed...

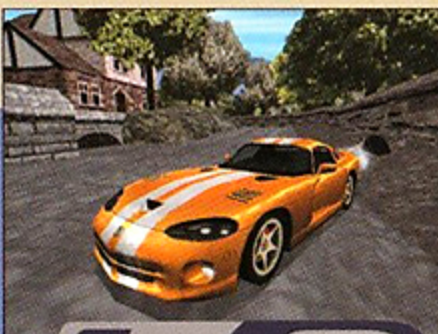

- Precision AI (is there any other kind?) for real slammin' NFL action
- Savable instant replays and custom cameras
- Position-based player profiles
- Totally fresh animations

NFL QUARTERBACK CLUB 2001

VANISHING POINT

AKkaim

Better up-shift your guts, Stud—you got the wheel in Vanishing Point! Common sense says bail out, but tons of horsepower under foot and the most realistic racing model, this side of the arcade, makes you one with the machine. There are no rules where you're going. Repeat: there are no rules...

- "Stunt Driver Challenge" mode features barrel rolls, slaloms, and long jumps
- Fully realistic, authentic rides from the world's top manufacturers: this is what driving does—or should—feel like!
- Bang fenders with the most challenging opponent AI yet
- Ultra-fast 3-D graphics engine

VANISHING POINT

AKkaim

FUR FIGHTERS

These ain't your baby sister's stuffed-animals, Bucko – not unless hers climb down off them little satin pillows to battle the evil, butt-ugly General Viggo and his legions of Teddy Bear warriors like our six heroes do! Viggo's schemes of World Domination go bust when you're fraggin' with the Furred Ones!

- Battle through six outrageous Boss levels
- Deploy each Fur Fighter's special skills to maximize your tactical advantage
- Over 40 top-tech weapons to strap on and clear decks with over 50 hours of gameplay spanning 20 levels—wear you out

FUR FIGHTERS

V|O|O|T

ACTIVISION

Viciously fast and furious fighting—it's gotta be VOOT! Slam your way through massive domains to engage the mighty war-lord, Tangram! An insanely intense 3rd person 3-D fighter! When it's over, if you're still standing that means everyone else is dead.

- 12 Virtuoids to command (1 secret)
- Move 'em at a mind-blurring 60 frames per second
- 17 stages set on land, space and underwater
- Pack an arsenal of long range weapons, or engage in hand-to-hand combat
- 2-player, split screen mode with link cable and 4 different views

CRAVE

S|T|A|R L|A|N|C|E|R

Interstellar war rages for the total domination of the cosmos—and you're in the thick of it as a member of the STARLANCER Strategic Alliance! Join the asteroid-tough pilots of the 45th Volunteers Squadron, and prove you've got it behind the stick to earn your crew's respect, advance The Cause—and defeat the enemy!

- Dogfight in death-match mode or ally with up to 8 players—via the Internet! Share experiences, get promotions—even take command!
- 12 spacecrafts to strap into, armed with nova cannons, pulse lasers, and jackhammer missiles
- Dynamic mission outlines, you determine the outcome—and the course of the universe!

StarLancer

U|L|T|I|M|A|T|E F|I|G|H|T|I|N|G

CRAVE

All the carnage and punishment you'd expect, in the most insane combat arena ever devised. Square off against the toughest 22 fighters on the globe! Engage 'em in mortal martial art combat, with signature moves and killer holds. Just remember one thing: They can take it. Can you?

- Deep offensive and defensive strategies allow limitless kicks, punches, grabs and combos
- Dynamically real UFC fighters react by showing pain, anger, or being stoked, and damage states like blood, swelling and bruises
- Ultra-realistic graphics

S|U|P|E|R M|A|G|N|E|T|I|C N|E|O

CRAVE

SuperMagnetic NEO

Pinki and her goons have taken over Pao Pao Park and it's up to Super Magnetic Neo to throw down and trash some Pinki butt! Deploying magnetic blasts or rocketing down skyways, Neo is the magnet man with mad skills! This insane platformer features fantastic worlds with twisted levels, mad bosses, freaky enemies and warped environments. Feeling the attraction?

- Jump, run, ride and swing your way across fantastic colorful worlds
- Capture metallic enemies, catapult off platforms and rocket through the air
- Throw switches, knock over walls and ride the Super Camel Cycle!

EIDOS INTERACTIVE

D|A|L|M|A|T|I|A|N|S 102

It's puppy power to the rescue! With the help of your animal friends, rescue your puppy brothers and sisters from the evil clutches of Cruella De Vil.

- A colorful 3D action-adventure
- Huge, colorful worlds promise hours of exciting gameplay
- Sniff, dig and dog-paddle your way through 19 levels plus fun mini-games
- Featuring characters from the upcoming 102 Dalmations live-action movie

P|R>O S|K|A|T|E|R

CRAVE

Bust moves as the legendary Tony Hawk, or as one of nine other top pros. Nothing but suicidal tricks and stunt combos in brutal competitions—but the payoff is becoming the best skater on the circuit. You ready to go pro, bro'?

- Pull off hundreds of motion-captured moves on the fly with super-smooth controls
- Nail insane airs, grabs, slides, grinds, kick-flips and landing tricks
- Multiple modes including 2-player Points Attack, Graffiti and HORSE, and 1-player Career mode

CRAVE

S|N|O C|R>O|S|S

It's all snow and go when you're on the hottest sleds from Yamaha®, melting the toughest frozen tracks known to man. Start with the 500cc sleds, win races, upgrade your ride, then unlock higher-end sleds and new courses! Sound easy? Then pin your mittens to your sleeves and crank that throttle, son!

- Excellently modeled Yamaha sleds, with five critical systems
- 8 world racing circuits, including: Nagano, Japan, Aspen, Colorado, and Munich, Germany
- Slick modes like hill climbing and head-to-head—or design your own circuits!

MAGICAL RACING

EIDOS
INTERACTIVE

Those curious chipmunks, Chip 'n Dale, accidentally broke the enormous Fireworks Machine, scattering pieces throughout Walt Disney World® Resort. It's up to you and your friends to retrieve 'em before nightfall so the fireworks show can go on! So, Ladies and Gentlemen...and Chipmunks...start your engines for the zaniest race around!

- Speed around 10 raceways based on popular Walt Disney World Resort attractions
- Race against the clock, or a friend!
- Single and multi-player modes, with split screen racing (up to four players on the Dreamcast)
- Unlock secret characters, special shortcuts and hidden tracks!

STORM

RAILROAD TYCOON II

Heed the call of the Iron Horse! This hyper-realistic 3D strat-sim environment lets you create and rule a global Empire of Steel Roads, spanning time from 1804 to 2000—and beyond. But first you must outwit and outmaneuver those Robber Barons who lust after your regime. Talk about a spike in gaming excitement!

- High horsepower 3D engine for hugely detailed environments
- Addictive and deep gameplay modes
- 70 scenarios including the original Railroad Tycoon II and the Second Century expansion pack
- Online multi-player mode to battle other would-be Tycoons

RAILROAD
TYCOON II

SYDNEY 2000

EIDOS
INTERACTIVE

Go for the gold, Mate, against the world's best in over-the-top Down Under action! The world-record realism—right down to sweat-streaked facial expressions and muscles bulging under exertion—will have you reaching for the "10" card! Ask real nice, we might even let you carry the torch...

- 16 countries compete in 12 elite events
- Multiple modes: single player, multi player (up to eight simultaneous), arcade, head-to-head and Olympic
- Train and compete with your own Olympic team
- 6 authentic Sydney 2000 Olympic venues

SILVER

GATHERING
STORM

SILVER

The evil sorcerer Silver has abducted the women of Jarrah for his treacherous purposes. As David, whose true love is among the captured, you set out to rescue the women and defeat this maniacal Sorcerer! To triumph you'll recruit allies, master swordplay, learn the art of magic, and venture into hostile worlds teeming with Silver's corrupt followers—a perfect mission for a guy like you...

- Slash through foes in real-time combat!
- Interact with scores of characters. (Beware! Not all are friendly...)
- Fantastic sorcery and spells and mighty weaponry to collect and employ
- Traverse hundreds of exotic locations, rich in detail and packed with danger!

GATHERING
STORM

BOARDER ZONE

Black Diamonds—your mom wear those? 'Boarders never follow rules, and trails are for those weenie double-stickers! The most awesome snowboarding experience ever, fanboy—snow-packed with seamless, jaw-popping graphics, incredibly realistic movements, and awesome interactive environments. Your motto: Have Board, Descend Rapidly!

- Huge hazardous slopes with cliffs & crevasses
- Races, Time Trials, Big Air and Pipe: 5 modes, 4 events
- Stunning variable effects, from terrain to weather
- Killer Tricks, Spins & Rotations—Combo grabs into 720's and 1080's!
- Incredible lighting, shadows & scenery—go 'head, there's time for one more run!

Boarder

GATHERING
STORM

KISS PSYCHO CIRCUS

Save your soul from the unspeakable horrors unleashed by The Nightmare Child. To defeat him, you must obtain the armor of the legendary rockers of KISS, wherein resides the supernatural Powers of the Elder. It's your only hope... We understand if you're afraid—but you can't fight the Demons of Hell when you're scared!

- Battle the Horde creatures that "swarm attack"—the largest number of creatures ever seen on a FPS screen.
- Wage war on others in online multi-player mode—including exclusive Sega Dreamcast levels!
- Features the all-time mother of hard-rock bands, KISS!

KISS
PSYCHO CIRCUS
THE NIGHTMARE CHILD

ALONE IN THE DARK

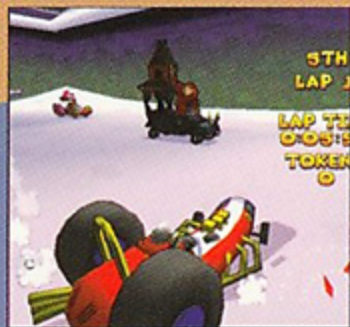

Dare to enter an intensely dark, strange and frightening atmosphere, where all edges are blurred... of objects, of reality, of your mind. Battle your fear of the unknown as Edward Carnby: armed only with a flashlight and a pistol, you must locate the necessary items to survive and find the clues to help you escape this Ultimate Nightmare. ...Why are you shaking?

- Emotionally deep storyline with over 20 characters
- Incredibly detailed and realistic environments
- Rich, haunting atmospheres

Alone in the Dark

WACKY RACES

Wacky Races

The Wackiest cartoon ever, now on the Sega Dreamcast! Join Dick Dastardly, Muttley, Peter Perfect, and the rest of the zany gang from the popular Wacky Races cartoon series. You're on the starting grid for a cross-country dash in radical hotrods—from the rock-solid Boulder-Mobile wrenched by the Slag Brothers, to Peter Perfect's streamlined Turbo Terrific! (Sorry, no bonus points for best imitation of Muttley's laugh!)

- Multiple racing modes: Wacky Cups, Golden Muttley Challenge, Track Challenge, Versus, and more
- Challenging tracks feature shortcuts, jumps, tunnels, and traps
- Vehicles tricked out with countless gadgets, abilities and wacky means to slow, disable and divert competitors!

CYCLES

TEST DRIVE CYCLES

Reality warps as you blast through Washington D.C. on a Sportbike or bend through South Dakota on a Cruiser, besting anything on two wheels—and probably on four, too! With superb user control, high-test graphics, and sophisticated level design, delivering the most intensely real motorcycle racing experience, TDC will have you screwing a kickstand onto your controller in the time it takes to say Harley Davidson!

- Only game featuring sportbikes, musclebikes and cruisers
- More than 35 licensed bikes, including Harley Davidson!
- 12 tracks in exotic real world locations!

DEMOLITION RACER

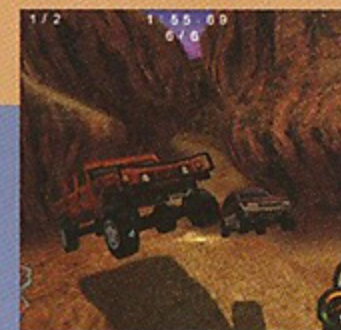

High speeds, devastating collisions, major air and "no exit" demolition—that just describes the race to the console to strap into Demolition Racer: No Exit. The most intense driving game ever for the Sega Dreamcast! The game where every entrant is determined to be the last one turning a wheel—you gotta Blast if you wanna last!

- Incredible real-time Damage effects: smoke, fire, flying hoods, wobbling tires and hardcore damage—it shows as it happens
- 12 torturous tracks: all reversible, plus four arena bowls
- Battle 16 cars in each race; choose from more than 12 rides!

Demolition Racer NO EXIT

OFF-ROAD 3

TEST DRIVE OFF-ROAD 3

Climbing the walls for something to do? Then climb them behind the wheel of Test Drive Off-Road 3! TDOR/3 combines the world's most powerful off-road vehicles, toughest courses and the best of arcade-style play to create the ultimate off-road experience. TDOR/3 crashes through with more animations and breakable objects than ever before.

- Exclusive license with the world famous Hummer, by AM General—the toughest off-roader made
- More than 25 licensed off-road vehicles
- 11 challenging, exotic, real world locations

SPACE RACE

LOONEY TUNES SPACE RACE

Pilot outrageous space vehicles with 6 Looney Tunes™ characters in a race that's Out of This World! There's Bugs Bunny™ and his Carrot Racer, or maybe Elmer Fudd™ and his Sabre Jet? That's Not All, Folks! Employ skill and strategy to gain 10 power-ups; use wild gags like pianos and elephants against your opponents to cause hilarious cartoon reactions—and to help you win the race!

- Speed through 12 tracks and 60 events, with challenging jumps, tunnels, shortcuts and traps
- Looney Tunes-inspired environments: Off World City, the Asteroid Belt and Planet ACME™
- Fun-packed 4-player split-screen action
- Special guest appearances by Foghorn Leghorn™ as the event announcer, and others!

INDEPENDENCE WAR 2

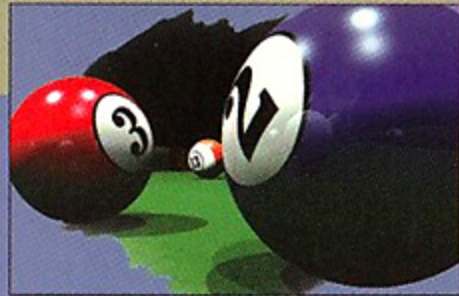

INDEPENDENCE WAR 2

Oppressed by the government, ripped off by corporations and gangsters (is there a difference?) Cal Johnston and his crew of misfit ex-cons have had it up to their Milky Ways, and set out to exact some righteous revenge! Joining with a faction of anarchists hell-bent on stopping the oppression and corruption keppin' down their off-planet Colony, you and Cal take command to lead the battle for Liberty and determine the destiny for all space.

- Free-roaming universe: explore outer-space and take on missions at will
- Select from an armada of realistically modeled starships
- Communicate with ships and stations, and other players via onboard online systems

VIRTUAL POOL 3

Virtual Pool, cued to the next level! Run the table as you take on L.A.'s top sharks in the best rooms in the city. Your final destination: Malibu, and a shot at the Champ in her beachfront mansion! So rack 'em, chump, an' let's shoot a little nine ball just to loosen up, OK? Lag for break...

- 100 computerized players with personality profiles and specific skill sets—test yourself against the best!
- Online, the Virtual Pool website supports tournaments, leagues, and player-matching services
- New graphics engine and a new, easy-to-use interface!

VIRTUAL POOL 3

MESSIAH

Meet Bob, an ordinary angel given by God Himself the extraordinary task of cleaning house in the putrid, morally rotted world of the future. Granted the mysterious Power of Possession, Bob can leap into the soul of any person, animal or genetically engineered being—and command their destiny! Dunno 'bout you, but being Bob sounds like a pretty cool way to save the World.

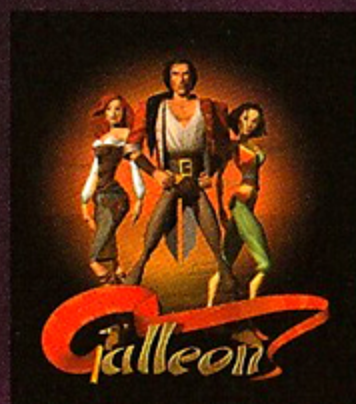

- Control over 40 different characters, from armored behemoths to the tiniest of rats
- Characters are real, you can hurt or help them—and vice versa...
- Devastating weapon sets, including flame throwers, pump-action shot guns, buzzsaws, ice guns, machine guns, bazookas, rocket-propelled harpoon guns and mines

GALLEON

A timeless fable of epic sea voyages, sorcery and swashbuckling adventure! Take the helm of the swift ship Endeavour as Rhama—Captain, Buccaneer, Merchant and Explorer of uncharted seas—and run before the wind to a world where fantasy and action fuel your Quest, step aboard Galleon!

- Full-blooded characters blessed with unprecedented levels of action and movement
- Fluid, realistic and ultra-responsive gameplay
- Developed by Toby Gard and Paul Douglas, the team responsible for Lara Croft!

CAESARS PALACE® 2000

It's a full house of the most adrenaline-fueled 3D gambling games ever! Enjoy first class action on every visit to the Palace. Experience our world-famous casino and world-class gaming action that includes Blackjack, Roulette, Craps, Video Poker, Poker Challenge, Pai-Gow, PokerVideo Keno, Mini-Baccarat, Red Dog, War & Spanish 21. C'mon, Baby needs a new console!

- Includes Official Caesars Palace® Rules, with a Tutorial tailored to your abilities
- Casino Odds and Payouts verified by William Bertram, PH.D.
- Hold 'em or fold 'em with authentic Caesars Palace® cards and chips
- Keep the cash rolling with easy loans from the cashier

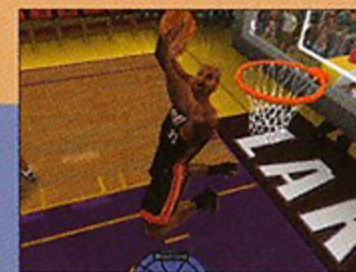

CAESARS PALACE 2000

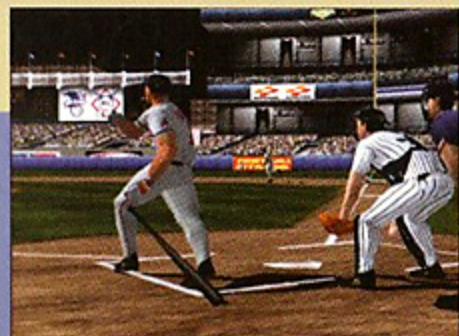

NBA 2NIGHT

Take it strong to the rack with NBA 2Night! This is hoops action so real they'll be calling time outs to swab the floor under your console! NBA icon Stuart Scott brings all the color commentary and Brent Musburger delivers his uniquely recognizable brand of play-by-play. With lightning fast gameplay and revolutionary graphics, you'll be closer to the NBA hardwood than ever before!

- Over 100 on-court animations, facial expressions and game sounds that can only be found in the real NBA
- New Enhanced Season: build a player, assign strengths and weaknesses, and advance his skills during the season
- Air Tight D-Checks, rejections, backboard pins
- Plays of the Week Highlight Reel: over 40 shorts-twisting low post moves, including 30+ prime-time dunks!

BASEBALL TONIGHT

Step up to the plate with ESPN Baseball Tonight, the only Sega Dreamcast title that combines the knowledge of ESPN with a true celebration of America's pastime. In-depth statistical information has been imported directly from the ESPN Baseball Tonight research department, and revolutionary graphics and precision gameplay are sure to satisfy even the most hardcore baseball gamer.

- You make the plays, while Hall-of-Famer Joe Morgan and Chris "Back-Back-Back" Berman make the calls
- Revolutionary Smart Cam brings classic baseball confrontations to life
- Speed Sensitive Throwing allows you to adjust the velocity of your throw with the touch of a button
- Complete Pitcher Arsenal lets you choose from up to 12 different pitches per pitcher

BASEBALL TONIGHT

NIGHTMARE CREATURES II

THE NIGHTMARE CONTINUES...Herbert Wallace is pissed. Subjected to horrific experimentation at the hands of the demonic Dr. Adam Crowley, he escapes, but returns to exact his revenge! Join his bloody chase through London and Paris to discover why his plan might involve saving the world from a nightmarish demise!

- Fast, furious fighting with new techniques, combos, and fatalities
- Challenge over 20 different monsters through 30 nightmarish game sectors
- Deathly powerups and spells make monster bashing more gory
- Soundtrack by Rob Zombie makes every moment suspenseful

NIGHTMARE CREATURES II

DARK ANGEL

DARK ANGEL
VAMPIRE APOCALYPSE

A battle to the death in a world of gothic horror! Join Anna as she desperately seeks a cure for the horrid disease transforming her people into hideous mutants. Her quest thrusts her into a raging war between the Vampire Lords, bent on utter domination of human kind, and the Masters of Science, who must destroy the Vampire Lords no matter the cost—even to life itself. Together, Anna and you determine the outcome!

- Domains change as your character gains experience
- Utilize the VMU to store and swap items and skills with other players
- Deep, engaging story lines with real-time combat
- Replay modules—the inhabitants remember your past deeds!

PRO SURFER

Big swells buildin', dude—look like racing walls. Grab your stick, rock up and climb the face all the way back to skinny water. Perfect lefts and rights, walkin' the rails, blastin' the Lip—if it's done on a surfboard, it's done in Billabong Pro Surfer!

- Increasingly tough trick levels: Crank barrels, 360's, aerials, slashes, rio's—more than 15 stunts in all!
- Scores based on trick difficulty rating, and on how well you can hit 'em!

ProSurfer

MAX STEEL

You're Max Steele and you're 19—the most accomplished hi-tech operative in the world. Fully armed with next-generation weaponry, you race against the clock to destroy an evil, twisted plot designed to biologically murder millions. Wield meta-human powers like Stealth (invisibility) and Turbo (10-fold increase in physical abilities) taking action, adventure and revenge where they've never gone before!

- Awesome adventure seeking in diverse global environments
- Max and enemies large-as-life

MAX STEEL

MIDWAY 4 WHEEL THUNDER

4 WHEEL THUNDER

Midway's racing series frenzy continues with 4 Wheel Thunder™! It's four-wheeled mayhem as you pilot the hottest all-terrain vehicles over the most challenging courses worldwide—at a red-lined 60 frames per second—blasting your opponents off the course to win fame and fortune!

- 2 player split-screen racing on 16 incredibly detailed tracks
- Earn vehicle upgrades with wins
- VMU™ compatibility saves customized vehicles, game progress and race replays
- Turbo boost power-ups and short cuts shave seconds off lap times!

4 WHEEL THUNDER

- 5 3D environments
- 6 Tracks

TYCO RC RACING

GAUNTLET LEGENDS

Become a Legend in your own time! The smash arcade hit comes to the Sega Dreamcast in an arcade-perfect conversion. Ally with up to three comrades to find the hidden rune stones needed to defeat the ultimate horror, Skorne and his Army of the Undead! The gauntlet has been thrown; will you meet the challenge?

- 4 player simultaneous game-play
- Sega Dreamcast-exclusive secret characters and arcade levels
- With VMU™ support, save character profiles to continue the battle!
- Countless quests and 50 unique enemies!

GAUNTLET LEGENDS

SPEC OPS M.O.U.T.

World terrorists have targeted major U.S. cities. America counters with M.O.U.T. (Military Operations in Urban Terrain) Force, an elite cadre of anti-terrorist/urban warriors. To join them, you must react quickly and with deadly precision—because in street fighting, there are no rules, just the will to survive!

- Online FPS Action for Up To 8 Players
- Wage war in real cities, against realistically portrayed terrorist actions
- First Urban Warfare Title in the Series

SPEC OPS M.O.U.T.

LEGEND OF THE BLADE MASTERS

A once peaceful kingdom lies in near-ruins, the destruction engineered by the five malevolent "Guardians." Amid the horrible chaos, young valiant Erik Valdemar discovers a mystical, ancient blade—one of seven that, united, can end the Guardians' tyranny! Join a breathtaking quest to find and master the powers of the seven blades, and restore the realm to freedom!

- Beautiful anime artwork and graphics
- Immersive, lush domains
- Great mix of action and RPG!

LEGEND OF THE BLADE MASTERS

OMEGA SQUAD

It's a white hot fire-fight deep behind enemy lines—good thing you signed on with America's Best, the elite Special Forces! Only the toughest survive the brutally tough military missions in this intense 1st-person shooter! Deploy battle-tested weaponry and tactics to advance and gain vitally strategic territory!

- Incredibly real military action and top-secret Special Forces missions
- First Title in Spec Ops Series created by top Ripcord Sega Dreamcast Development Team

SPEC OPS OMEGA SQUAD

QUEST OF THE BLADE MASTERS

Created by an award winning development team, Legend of the Blade Masters™ is set in a vast and immersive 3D fantasy world where jealousy and betrayal have divided a once peaceful kingdom. Now, amidst war and ruin brought on by five ruthless "Guardians," young Erik Valdemar accidentally comes across a mysterious blade—one of seven ancient blades that can bring an end to the Guardians' tyranny. Players guide a crusading band of characters on a breathtaking quest for the seven blades, in order to master their untold power and true magic. The first Quest-RPG for Sega Dreamcast, it's a perfect game for first-time or experienced RPGers alike.

QUEST OF THE BLADE MASTERS

HALF LIFE

"A Masterpiece of Epic Proportions!" critically acclaimed Game of the Year! Filled with alien beings programmed to hunt you down, you'll need to play incredibly smart not only to win, but just to survive... "To secure peace, plan on war!"

- Multiplayer modes and maps as well as Team Fortress Classic!
- Superior AI drives Alien behaviors
- 18 experimental, real- and alien-world weapons
- Hazard Course area for special maneuvers and weapons training

HALF-LIFE

SWAT 3

Rappel into tension and excitement! Command a three-man assault team in real tactical situations: hostage rescues, holed-up perps, target ID, dangerous VIP details while armed with the latest in urban warfare munitions! Aiming to keep the peace can require aiming to kill.

- Based on actual L.A.P.D. SWAT tactics and weapons
- More than 100 characters react to your every move, ensuring fresh mission profiles
- Deploy in actual LA locations
- Choose mission or career modes
- Up to 4 person multiplayer

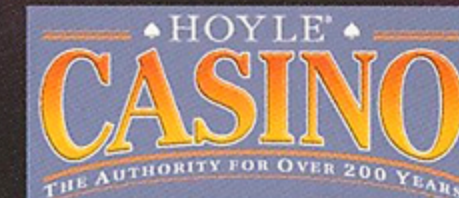

HOYLE CASINO

Table stakes? A ton of fun, so ante up! Experience the excitement of a real Las Vegas casino playing 8 classic games, with over 100 variations: Blackjack, Craps, Slots, Video Poker, Poker, Roulette, and Pai Gow Poker. The City that Never Sleeps, meets The Console that Never Shuts Down!

- Interactive, strategic advice for all games
- 10 opponents with multiple skill levels
- Authentic Hoyle rules gameplay

THQ MTV SKATEBOARDING

The most advanced skateboarding game ever! Go pro and rip literally thousands of combos to earn bucks and sponsors; or compete against friends in multi-player modes like Battle, Tag, Time-Trial, and Stunt! Backed by a maximum MTV soundtrack of today's hot bands like the Deftones, Cypress Hill and 8 others, this disc grinds the competition!

- 25 varied levels: indoor and outdoor parks, buildings, streets, schools and more!
- 9 different game modes
- 20 selectable skaters

EVIL DEAD THQ

You kill the lights and let Ash take care of the rest. The chainsaw-armed hero of the cult classic EvilDead™ trilogy is back, slicing and dicing carnivorous Kandarian demons, vicious Deadites and other unspeakable spawn of the notorious Book of the Dead.

- Great mix of favorite Evil Dead domains and new, original environments
- Fully upgradeable weapons: axe, rifle, shotgun-and the legendary chainsaw
- Over 20 enemies with an array of evil bosses
- Ash voiced by Bruce Campbell, star of the original Evil Dead trilogy

ARCATERA

Seek your adventure in the medieval world of Arcatera! In the town of Senora, the Black Sun is making a move to seize power of the city. Who among the villagers will you trust as you reveal dark plots and solve twisted mysteries? Only you can save Senora and defeat the evil Black Sun!

- 10 different endings based on player decisions
- Deep storyline full of plot twists and surprises
- True-to-life AI that adapts to the player's situation and play!

DINOSAUR

Disney's summer release, Dinosaur, in thrilling 3D console action! Guide Aladar the Iguanodon, Zini the Lemur and their Pteranodon pal through scorched deserts, perilous mountains and a barren, sinister lakebed to the safety of the nesting grounds! It's a world of adventure you've only imagined—until now!

- 3 main characters' skills must be used to successfully complete the game
- Unique "points system" where characters' skills evolve during the game
- Levels blend with cinematic sequences taken directly from the film!

Ubi Soft
ENTERTAINMENT

Based on Dreamworks' hit animated feature! Miguel and Tulio are two small-time con artists who inadvertently stowaway on Cortes' ship bound for the New World. An ill-advised escape attempt leaves them starving and stranded on alien shores. But a mysterious map leads them to discover the fabled Lost City of Gold, El Dorado, where they strive to fulfill their dreams of gold and glory.

- Classic adventure play—puzzles to solve, items to collect
- Seamless transitions between game sequences and movie clips
- 2 playable characters, Tulio and Miguel

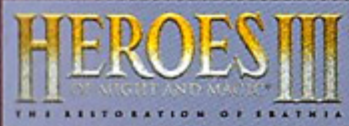

HEROES OF MIGHT AND MAGIC III

Ubi Soft
ENTERTAINMENT

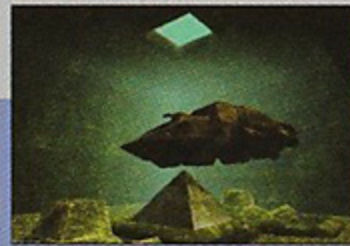

Armed with steel and sorcery, you must help Katherine claim her rightful reign after her father, the King, is betrayed and murdered! Battle the living and the undead with Heroes you command to do your bidding. It's this famous franchise's debut on Sega Dreamcast!

- Immersive gameplay will draw you in
- Three modes of play, including an 8-player hot seat!
- Customizable heroes: outfit them with ancient, magical artifacts and powers!

DEEP FIGHTER

Ubi Soft
ENTERTAINMENT

The oceans erupt when you're thrown to the front line of a raging undersea war! You must engage, outwit and outfight marauding pirate-thugs and hostile sea-monsters intent on obliterating you and your civilization from the ocean's floor! But, deeper in the ocean lies another threat... A silent, deadly threat...

- Pilot 8 different vehicles
- Battle through 6 expansive environments
- Over 100 unbelievable cut-scenes advance the story
- Multiple weapons for battling multiple enemies!

EVOLUTION 2

Ubi Soft
ENTERTAINMENT

Mag Launcher returns! Join the legendary Mag Launcher and his rock-steady and fierce crew as they rush to the rescue of Museville. During his adventures, Mag and his crew come up against the mysterious Yurka, a being madly possessed with manipulating Linear to his own demonic benefit. Only the strong survive!

- Nearly 100 animated cut-scenes with voiceovers
- Phenomenal real-time 3D graphics
- Hundreds of artifacts to discover
- All-new characters, enemies, puzzles and dungeons!

DRAGON RIDERS

Ubi Soft
ENTERTAINMENT

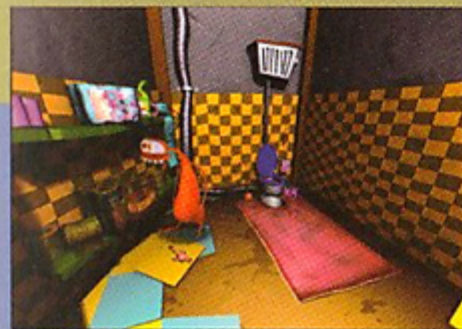

Anne McCaffrey's best-selling novels come to life, as you take the role of D'Kor. Your quest: to find a new leader for all Dragonkind! With a storyline and Dragons endorsed by McCaffrey herself, Dragon Riders boasts fantastic visuals, in-depth gameplay—an unforgettable adventure!

- Over 200 interactive characters
- Dozens of side-quests and subplots
- Gorgeous 3D graphics—high polygon world, cut-scenes and cinematic cameras
- Classic adventure based in a highly realistic world

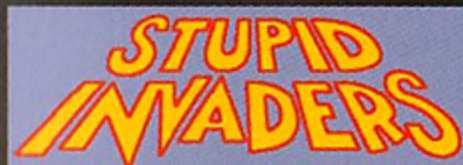

STUPID INVADERS

Ubi Soft
ENTERTAINMENT

Five goofy aliens, cursed with AI (Absence of Intelligence!) crash land on Earth. They soon find themselves ruthlessly hunted by the horrific Dr. Sakarine, who covets an addition to his "collection" of oddities, mutants and off-worlders! Conduct this insane adventure to control these likeable visitors, and save them from their fate!

- Over 120 locations with more than 50 interactive characters
- Cinematic, hi-rez world brings head alien Etno, his friends—and enemies—to life!
- Gorgeous graphics as only the Sega Dreamcast can show!

Ubi Soft
ENTERTAINMENT

PEACEMAKERS

Shaping public opinion is as crucial in this addictive real-time strategy game as is battle prowess. Media reports of your battlefield exploits directly affect your war funding. Peacemakers promises to change the way you think about modern war. Deploy your army, defeat the enemy and manipulate the media!

- Modern warfare with an intelligence-testing twist!
- Smart, innovative AI that adapts to your play
- Gorgeous real-time 3D graphics
- Play as the International Corps for Peace (ICP) or as a dictator!
- Hundreds of units to command to victory!

MONSTER BREEDER

UFO

The Technical Age is past, begetting the Age of Monster Power, where an evil splinter faction is secretly training battalions of bad, bad monsters for world domination. Your mission: train a counter-insurgent group of monsters to battle the evil hordes, and while you're at it, to save the world!

- More than 150 polygon Monsters with alternate growing cycles
- Different enviro-maps created each time you enter
- Raise Monsters and exchange them and other items using the VMU!

MONSTER BREEDER

UFO

I-SPY

Enter an era where chaos reigns, governments are history, and highly unstable ruling power is divided among the Corporations. Desperate for the source of this power, Information, they turn to Blitzstrahl, run by the "Boss" in command of an elite team of highly skilled, specially trained agents—the Industrial Spies. ...Think you have what it takes to join?

- Choose from 8 agent profiles, each with unique and special skills
- Direct multiple agents on multiple screens
- 10 challenging levels, with unprecedented character interaction and "team play"

THE NEXT TETRIS

VATICAL

Tetris is the most popular electronic game of all time—'nuff said. "TNT" combines the user-friendliness of the original with intense, fresh graphics; enhanced sound and all-new gameplay. "Internet Mode" allows players to compete over an Internet connection, to upload scores to a global database, or download the database into the Tetris application. A great buff of an all-time classic!

- Six game modes
- Player rankings and handicapping functions
- More strategic gameplay, including chain reactions and cascades!

THE NEXT TETRIS

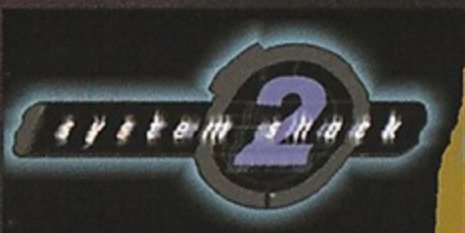

SYSTEM SHOCK 2

VATICAL

Five goofy aliens, cursed with AI (Absence of Intelligence!) crash land on Earth. They soon find themselves ruthlessly hunted by the horrific Dr. Sakarine, who covets additions to his "collection" of oddities, mutants and off-worlders! Conduct this insane adventure to control these likeable visitors, and save them from their fate!

- Over 120 locations with more than 50 interactive characters
- Cinematic, hi-rez worlds bring head alien Etno, his friends—and enemies—to life!
- Gorgeous graphics as only the Sega Dreamcast can show!

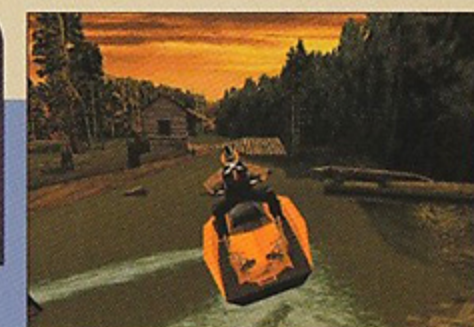

VATICAL

SEA-DOO HYDROCROSS

Your need for liquid speed is fulfilled at the helm of the hottest PWCs around—Sea-Doo's! Kick up some monster rooster tails at breakneck speeds, blast through photo-realistic, fantastic environments that offer one hidden surprise after another—and tell your competition to kiss your aft end!

- Test-drive the actual 2001 Sea-Doo models in the game
- Use hidden shortcuts to win the race
- Compete to earn upgrades and a futuristic prototype Sea-Doo!
- Real-time Internet multiplayer racing mode
