▶ PRINCE OF PERSIA

Heart-stopping terror and adventure awaits, as you, the Prince of Persia, make your way through the dungeons to save the Princess!

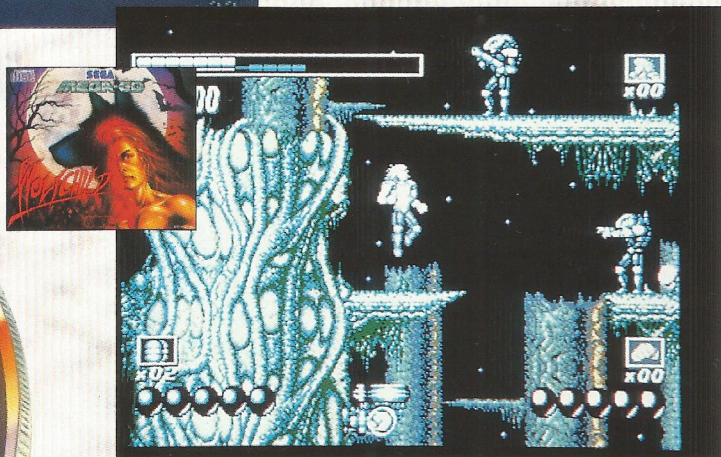

▲ ROAD AVENGER

As a top member of the MATF you've been instrumental in putting away a large number of high-ranking RRR trash, a network of motorized thugs. Now, with further modifications to your vehicle's engine and suspension, you vow once and for all to rid the world of the RRR.

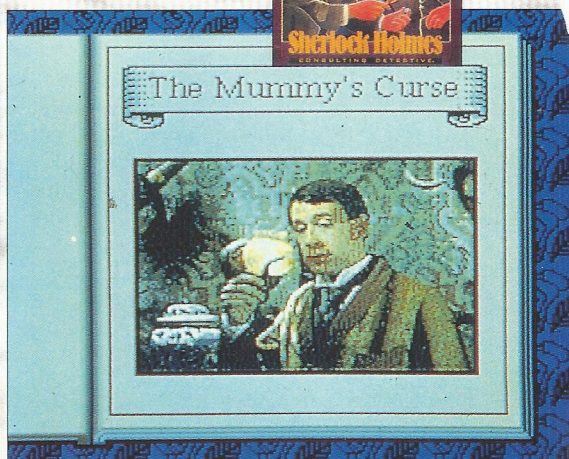

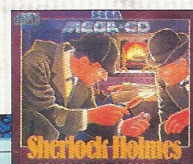

◀ NIGHT TRAP

The first CD game with continuous full-motion video and audio. Your mission, as a S.C.A.T. commando, is to catch the mysterious hooded intruders as they stalk their 5 beautiful co-ed victims through the eerie mansion. Watch the live-action and sinister scenes from hidden cameras in 8 different rooms - if you miss your chance the co-eds are lost for ever!

▲ WOLFCHILD

As a member of the experimental Project Wolfchild, battle your way through 9 stages of deadly traps and trigger-happy mutants!

▲ SHERLOCK HOLMES

Snoop through Holmes' own files and little black book for background information. Then piece together clues from victims, informants and newspapers to crack three totally unique cases.

▲ SOL FEACE *

Since the GCS-WT super computer declared war on Earth, life has been tough for what remains of the resistance fighters. Being in desperate need of a spacefighter, they turned to you - but is there enough time before the computer becomes too powerful?

MEGA DRIVE MENACER

The ultimate gun for the Mega Drive. With 6 fast paced shooting games supplied and 7 ways to play, it will provide all the action you'll ever want! For the juice just add 6 AAA batteries. Shoot 'em up's will never be the same again.

MASTER SYSTEM LIGHT PHASER

Adds a whole new dimension to games play on the Master System. Highly responsive and deadly accurate. Simply point at the screen and fire - there's no stopping you!

MEGA DRIVE MEGA FIRE CONTROL PAD

Gaming goes mach speed! Mega Fire means rapid fire - fire faster than ever, auto control - fire button shoots automatically while you attack, mega scores - instant response lets you beat the enemy every time. So press the start button and call the shots - all of them.

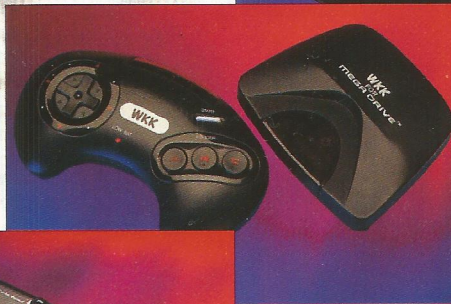

MEGA DRIVE POWER BASE CONVERTER

Fitting snugly into the top of your Mega Drive, this unit allows the Mega Drive owner access to over 150 stunning Master System games. Only SEGA allows you to play your 8-bit games on the 16-bit hardware.

MEGA DRIVE INFRA-RED CONTROL PAD

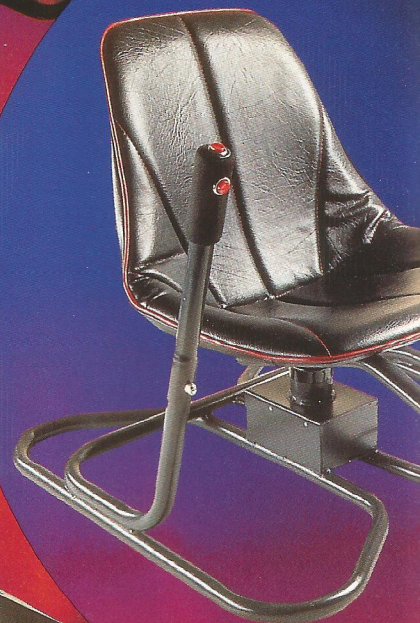

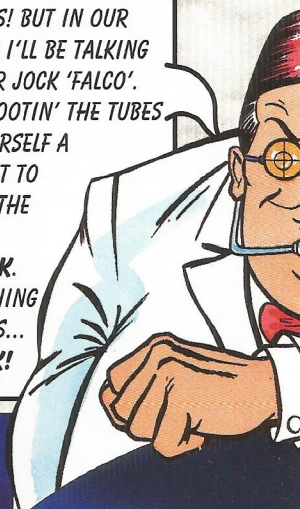

Standing up to 15 feet from the TV screen, you now have total control of the game play with no wires in the way. Instead the unit works using infra-red light. All you need is 4 AAA batteries.

MEGA DRIVE MEGA STICK

The arcade-style joystick gives you the competitive edge. Up to 28 shots per second - with just one push of the button! Sometimes, the action's just too quick for you to catch. The Mega Stick slow-motion feature is the answer - perfect for mastering new game levels.

WELL - THAT'S ALL FOR NOW GAMES FANS! BUT IN OUR NEXT EPISODE I'LL BE TALKING TO ACE SUPER JOCK 'FALCO'. SHE'S BEEN SHOOTIN' THE TUBES AND EARN'T HERSELF A ONE WAY TICKET TO SOLAR CITY IN THE SMASH HIT SEWER SHARK. SO KEEP WATCHING YOUR SCREENS... I'LL BE BACK!

▶ MASTER SYSTEM CONTROL STICK

For the player that wants more to their games play. On offer is instant control and easy fire control.

▶ GAME GEAR TV TUNER

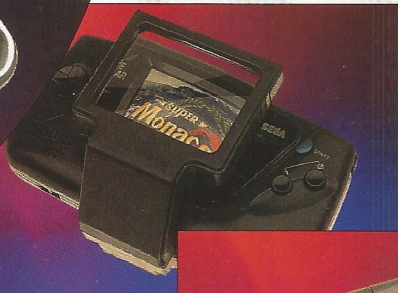

Turn your Game Gear into the ultimate portable leisure machine. Simply slot this into the back of the Game Gear and swap from playing your favourite game to watching your favourite TV programme. If that's not enough, why not use it as a remote monitor for your camcorder.

▶ GAME GEAR MASTER GEAR CONVERTER

Yet again SEGA offer you the widest possible access to games. This accessory slots into the back of your Game Gear and allows you to play over 150 Master System games. Now you can take your favourite games where ever you go.

▶ MEGA DRIVE/MASTER SYSTEM ACTION CHAIR

The Action Chair offers the ultimate thrill. Sit in it and rock and roll with the on-screen action. It has fire buttons in the arm rests and can pivot through 360 degrees at a 10 degree angle. The chair is compatible with both the Master System and Mega Drive games.

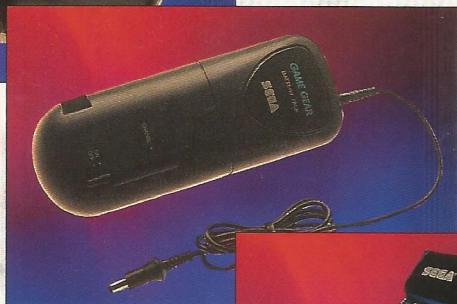

▶ GAME GEAR SUPER WIDE GEAR

Sliding easily on to the back of the Game Gear, the super wide gear will double the viewing area, giving a new perspective to the games and TV shows.

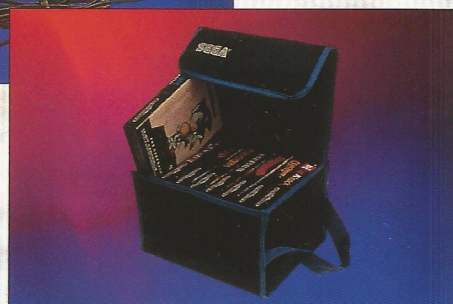

▶ GAME GEAR RECHARGEABLE BATTERY PACK

This will ensure hours of gameplay without having to change your batteries. Using the AC adaptor, this will recharge in eight hours, giving three hours of power.

▶ MEGA DRIVE/MASTER SYSTEM SOFT CARRY CASE

Protect all your favourite games whilst on the move. This carry case will hold up to eight Master System or Mega Drive games.

WHO LET
THAT CAT IN??!

One's pussy cat deserves *A La Kat*.

Pussies purr with pleasure at the merest whiff of 'A La Kat' catfood. Made from the choicest meats, flavoured with a hint of sage and a secret ingredient that won't give your cat dog-breath. 'A La Kat' is so divine you'll be tempted to buy it yourself.

So, here's a little serving suggestion. Bon Appetit!

CATFOOD AND SAGE MEATBALLS

750g (1½lb) of 'A La Kat' catfood. 12 sage leaves. 90g (3oz) butter.

30g (1oz) Parmesan. 1 medium sized onion. 100ml Marsala wine. Salt. Black pepper.

METHOD: Mix the meat with sage leaves, onion, butter and parmesan. Season, then refrigerate for 30 minutes. Form the paste into small grungy balls and brown. When cooked, pour the wine over and serve in the savoury 'A La Kat' gravy.
